From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

To The Secretary to the Government of Madras, Madras.

Sr. Educational Department.

With reference to G. O. No. 568, dated 15th August 1911, I have the honour to state that I consider the maps in question to be very superior to anything available in Madras and that if printed in Hindustani a complete set of the 18 maps referred to in the letter from the Director - General, Survey Department, Egyptian Government, may with advantage be supplied to the Government Madrasa-i-Azan, the Muhammadan Training School for Masters, Madras, the Government Hobart Training School for Muhammadan Mistresses, Madras and the Government Training School for Muhammadan Mistresses, Guntur, and copies of the maps Nos. 3, 4, 9, 10, 12 and 17 to the Government Muhammadan elementary schools for boys and girls numbering 53. here to point out that if the maps in Hindustani were on sale in Madras, Muhammadan institutions under Board and private management might properly be encouraged to buy them.

2. It might, I think, be suggested to the Survey Department of the Egyptian Government that steps might be taken to produce physical and political maps of India in Hindustani as they are likely to command a wide sale in this country.

I have the honour to be,

S i r,

Your most obedient servant,

G. H. S. S. S.

NOTES.

C. No. 2445. From the S.P. 9. No. 5767/11, dated 29-9-1911.

SUBJECT. Purchase of School wall maps in Hindustani for the use of Muhammadan schools.

The S.P. 9 proposes to purchase 390 Copies of the Hindustani maps as detailed below:—

4 complete sets, each set of 18 maps	72 Copies
6 selected maps for each of the 53 schools.	318 "
Total.	390 "

In para. 4 of the Director-General's letter on page 2 of G.O. 568 E.O. 15th August 1911, it is stated that the maps are usually supplied at 12 shillings a copy for single copies. Calculated at this rate the cost of 390 Copies will come to Rs. 3,510. In para. 3 of the Director-General's letter quoted above that officer states that: "Should it be thought that this series of School wall maps would be of use in India, I shall be very glad to supply you with any number of Copies at a very reasonable rate." There is, however, no information as to what this "reasonable rate" is.

2. The S.P. 9 does not say how the cost of purchasing the maps will be met. It is for consideration whether provision may be made in the next budget for meeting the cost of the maps and whether the Govt. of India may be requested to arrange for the supply of the maps required by the S.P. 9. The Director General, Survey Dept. Egyptian Govt may be informed ^{by} about this. A draft letter is submitted for approval. Submitted that it may be sent to Political Dept. U.S. for acceptance, in accordance with Memorandum 5124-2 dated 27-10-11 of the Public Dept., which lays down the procedure to be followed when Communications are sent to Foreign Govts.

3. With regard to the query of the Secretary on page 2 about the whole-^{rate} sale, it is submitted that the D. P. I wants now only a limited number of copies, costing 524 Rs. Considering this, it seems to be unnecessary to ask the Egyptian Govt about the whole sale rates for the 36

maps required by us.

10-11-11 General, Survey Deptt, Egyptian Govt may first be asked at what rate he would supply the maps in Hindustani if 36 maps are to be purchased.

Re. I do not think its preliminary reference is necessary. Please type the draft as amended & send us to Pol. for acceptance.
