G.O. No. 361, Educational, dated 10th June 1911.

ABSTRACT.—Approving the issue of a second edition of the Code of Regulations for European Schools.

II

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 27th September 1911.

No.—Ref. on Cur. 4992.

Grants are given under article 40 of the Code of Regulations for European Schools in aid of Boarding charges of pupils in orphanages and schools, and under article 42 towards the cost of education of the children of the poorer classes of Europeans in out-of-the-way places where no suitable education is available. The latter grants are of a special nature since they are not intended for the support of destitute children, nor are they only for boarding expenses, but also for one or more of the following : (1) Tuition fees, (2) books, (3) equipment, (4) conveyance. In the absence of a separate place, they are now entered in the place provided for boarding grants under articles 40-41 in the grant-in-aid bill form of European schools, appendix VI to the Code of Regulations for European Schools. It is desirable that the grants sanctioned under article 42 should be distinguished from those given under articles 40-41 and entered separately in the grant-in-aid bill form, and that they should be debited to a separate head in the accounts. I have therefore the honour to request that the following alterations may be made in appendix VI to the Code of Regulations for European Schools :—

For "Boarding grants for etc."

Read "Boarding grants under articles 40-41 of the Code of Regulations for European Schools for etc."

"Grants under article 42 of the Code of Regulations for European Schools for . . . pupils at Rs. . . per . . . sanctioned in Director of Public Instruction's Proceedings No. . . dated . . ."

2. I further request that a new head, viz., "Grants under article 42 of the Code of Regulations for European Schools," may be opened in the Treasury accounts below "Boarding grants" under 22-G. EDUCATION—*Grants-in-aid*—European Schools."

T.M. No. 18/10569, dated 9th October 1911.

Forwarded to the Secretary to the Government of Madras, Educational Department.

It is desirable that the head of account proposed should be descriptive of the charges to be classified under it, and I would accordingly suggest that the new head should be "Grants to children of the poorer classes in out-of-the-way places."

R. SRINIVASA AIVAR,
Deputy Accountant-General.

Order—No. 809, Educational, dated 18th November 1911.

The Government sanction the alterations proposed by the Director of Public Instruction in appendix VI to the Code of Regulations for European Schools. The new head to be opened in the Treasury accounts should, as suggested by the Accountant-General, be "Grants to children of the poorer classes in out-of-the-way places."
