Letter—from A. G. BOURNE, Esq., D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 10th November 1911.

No.—Ref. on Cur. 7386.

As Government have, in G.O. Mis. No. 723, Educational, dated 14th October 1911, resolved to cease the direct management of Breeks' Memorial School, Ootacamund, the land and buildings belonging to which were vested in the Treasurer of Charitable Endowments under the Charitable Endowments Act VI of 1890 by a notification ordered to be published in the *Fort St. George Gazette* in G.O. No. 346, Educational, dated 22nd May 1905, I have the honour to state that Robert Stanes, Esq., of Coonoor, has proposed to form a Committee for taking up the management of the school from the beginning of 1912 on his being put in possession of the property and on a grant of Rs. 400 a month being assured to him for such time as will show whether the arrangement is successful. I recommend that his proposals be accepted. I accordingly submit an application for the modification of the scheme for the administration of the trust, together with a draft notification on the subject in duplicate prepared by the Government Solicitor, Madras, for the approval of Government and publication in the *Fort St. George Gazette*.

2. I beg to add that the conditions specified in the draft notification have been accepted by Robert Stanes, Esq., and that the Collector of the Nilgiris has consented to serve on the Committee.

3. I had originally proposed that on the Breeks' Memorial School with its building, etc., being placed at the disposal of the Committee they should enter into an agreement to use the building, etc., for carrying on a school for the children of Europeans and East Indians and that on their ceasing to carry on such a school to hand back the building, etc., in as good order, allowing for inevitable depreciation from age, as they received them in and that irrespective of this condition at any time if required by Government to so hand back the building within a period of six months. The Government Solicitor says that, having regard to the provisions of the Charitable Endowments Act, it would not be in order to provide in the scheme such a condition but that he has inserted a clause which purports to bind the members of the Committee to make the application which the Act prescribes as a condition precedent to the Local Government modifying the scheme or substituting another scheme in its stead. The Government Solicitor adds that it is open to question whether this condition could be enforced.

4. It is requested that the date on which the substitution of the new scheme is to take effect may be filled in in the draft notification before it is published in the gazette.

ENCLOSURES.

G.O. No. 686, Educational, dated 22nd November 1904.
" " 723 " " 14th October 1911.
" " 781 " " 10th November "

From the Director of Public Instruction, dated 10th November 1911, No. 7386.

Please see Mr. Stone's note, dated 27th September 1911, on pages 12 and 13 of G.O. No. 781, Educational, dated 10th November 1911. The Director of Public Instruction now submits a revised scheme for the administration of the Breeks' school for approval and publication in the *Fort St. George Gazette*. The scheme may be approved and published in the Gazette. It may come into operation on the 16th December 1911 when the Breeks' school will cease to be a Government institution—*vide* G.O. No. 723, Educational, dated 14th October 1911.

2. Paragraph 2 of the revised scheme on page 4 of the current file refers to income arising from the endowment of the Breeks' school. The endowment in this case consists solely of the school building, and no income is derived from it. In these circumstances it is for consideration whether the wording of the paragraph should not be altered.

3. A draft order is submitted for approval.

T.K.—14-11-11.

The committee is going to occupy the building free and the rent which could otherwise be paid for the building may be considered as the income from the endowment. The notification has apparently been seen by the Government Solicitor and approved by him. It does not seem necessary to alter the wording of paragraph 2 of the notification.

The draft may be submitted to the Honourable Member for perusal.

R. SUNDARAM AIYAR—14-11-11.

Enclosure F at page 6 of G.O. No. 443, Educational, dated 5th July 1911, shows that the Breeks' Memorial school has cost Government an average sum of Rs. 636 *per mensem* during the five years ending 31st December 1910. Mr. Stanes asks for a monthly grant of Rs. 400 for such time as will show whether the arrangement is successful. I take it that this grant will be given under article 39 of the Code of Regulations for European schools being sanctioned in the first instance for a period of three years with reference to appendix VIII.

2. The draft notification is open to the following criticisms:--

(i) Paragraph 1 of the schedule seems to require the addition of the words

We do not want to let the committee have power to increase their numbers. I think it will be dangerous to let them do so.

M. H[AMMICK].

"with power to add to their number" after the words "shall consist of the following members". Otherwise the expression "and any new members appointed under this clause" is meaningless;

(ii) It seems better to insert the word "senior" before "clergyman" in sub-

No objection.

head (b) of the same paragraph so as to provide against the contingency of more than one C.M.S. Clergyman being resident at Ootacamund, and

(iii) I am doubtful about the words "from and out of the income arising

M.H.

"from the said endowment" in paragraph 2. As the office points out there is strictly speaking no income, but the committee is merely allowed to occupy a

building free of rent. I would substitute for these words the following:—"From the resources at its disposal".

3. These alterations do not seem to be of sufficient importance to require further reference to the Government Solicitor, the Director of Public Instruction or Mr. Stanes, nor is it necessary, I submit, further to examine the legality of paragraph 7 of the schedule.

4. I propose with the Honourable Member's permission to place this paper on the

Editors' Table and to send a copy of it to the Anglo-Indian Association in continuation of G.O. No. 781, dated 10th November 1911.

L. DAVIDSON—15-11-11.

I would omit the words "and any new members appointed under this clause" and insert "Senior" as proposed. Otherwise the draft may stand.

Do not communicate the paragraph 3 of the Director of Public Instruction's letter to the Editors' Table.

The rest of the papers may go to Editors' table.
