Closing of Schools for the Imperial Coronation

Reference is solicited to para 2 of J.O. no 939 Public dated 30.8.11 Comm'd to the D.P.I. with List no 2153-1 D 4.9.11. It is there stated that, subject to proper arrangements for the despatch of urgent business, all public offices except those which must remain open for the proper transaction of Commercial business, shall be closed from the 8th to the 11th December in addition to the two holidays on the 7th & 12th. In the telephonic message put up, the Dy D.P.I. enquires whether the term "public offices" in the above J.O. includes also schools under public management. It is necessary that all educational institutions should be closed on those days — 7th to 12th Dec. & 14. For orders as to whether the Dy D.P.I. may be informed that schools may be closed on those days.

T

The telephonic message is addressed to the Dy. Secy, Est. & not to the Secy to Govt, Est. Perhaps if an official reference is made, a formal order might issue.

Re: 17.11.11 If the D.P.O. want formal orders, he ~~must~~ ^{should} apply formally & no doubt he will do so. You had better reply as Dy. Secy. But you cannot give any authoritative answer

Which he asks whether the term 'public Offices' includes also schools under public and private management. It is open to Govt to direct the closing of all institutions under public management, that is, Govt. local fund and municipal institutions: But it is not clear how Govt can ~~interfere~~^{force} this on schools under private management. Doubtless, many of the schools of the latter class in the larger stations will close on at least the more important of the days - the 8th & the 12th Dec^r. But it is for consideration whether Govt can at all interfere in the matter. ~~There is~~ It has already been asked

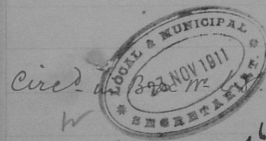

that the 12th Dec^r should be recog^d as a holiday in all educational institutions this year.

H.M. I like it that schools under public management should be closed from 7th to 12th Dec^r. Gov^t can save roads about private schools.
