G.O. No. 30, Educational, dated 16th January 1909.

ABSTRACT.—Declining to bear the charge of providing conveyances for carrying the girls of the Government Muhammadan Girls' School, Mylapore, to and from the school.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.
To—the Secretary to Government, Educational Department.
Dated—the 18th October 1911.
No.—Ref. on Cur. 6169.

In G.O. No. 30, Educational, dated 16th January 1909, it was stated that Government were not prepared to bear the charge of providing conveyances for carrying the girls to the Government Girls' School, Mylapore. Subsequently the parents and guardians of the pupils attending the school expressed their willingness to subscribe half the cost of the carts required for bringing the gosha girls to and from the school. It is also reported that three carts are absolutely necessary and that the Muhammadan residents of the place have already subscribed funds (viz., Rs. 270) sufficient to cover one-half of the expenses of engaging the carts for a year at Rs. 15 per mensem for each cart. In these circumstances I have the honour to request that Government will be pleased to reconsider their order quoted above and to sanction the contribution in any one year of a sum equal to that collected by the parents or guardians of the girls or by other members of the community or of such less sum as will make up the amount necessary to provide the conveyances. The Inspectress considers that such a contribution is desirable so that the further development of the school may not be retarded.

Order—No. 849, Educational, dated 2nd December 1911.

The Government are not prepared to bear any portion of the charge of providing conveyances for the pupils at the Government Muhammadan Girls' School, Mylapore.

NOTES CONNECTED WITH G.O. No. 849, EDUCATIONAL, DATED
2ND DECEMBER 1911.

[SUBJECT.—Conveyance allowance on behalf of the girls reading in the Government Muhammadan Girls' School, Mylapore.]

From the Director of Public Instruction, dated 18th October 1911, No. 6169.

In G.O. No. 681, Educational, dated 30th September 1908, the Government sanctioned the opening of a Government Muhammadan Girls' School at Mylapore, subject to the condition that arrangements were made by the parents and guardians of the pupils for the conveyance of the girls to school and authorized the Director of Public Instruction to place the school under the management of a committee. In November 1908, the Secretary to the Managing Committee appealed to Government, stating that the Muhammadan inhabitants of the locality were poor and unable to provide conveyance for the girls at their cost and requested that Government would provide the conveyance at the cost of the State. In G.O. No. 30, Educational, dated 16th January 1909, the Government declined to accede to this request.

2. The Director of Public Instruction now submits that the parents and guardians of the pupils attending the school are willing to subscribe half the cost of the carts required for conveying the girls to and from the school and recommends that the Government may sanction a contribution in any one year of a sum equal to that collected by the members of that community or of such less sum as will make up the amount necessary to provide the conveyances. The Inspectress considers that such a contribution is desirable so that the further development of the school may not be retarded. It is for consideration whether the recommendations of the Director of Public Instruction may be accepted.

3. It may be noted that in the case of the Government Muhammadan Girls' School at Mangalore and the Hobart Training * school for mistresses, Madras, the entire conveyance charges are borne by Government.
S.R.R.—7-11-11.

The case of the Mangalore Girls' school is not quite free from doubt. In his letter, dated 13th June 1908, the Director of Public Instruction stated incidentally that a sum of Rs. 30 per mensem would be required for conveyance to bring the gosha girls to school : but this was not specifically sanctioned, and it is not known whether the charge is being incurred.

In any case, the statistics furnished by Sultan Muhammad in his letter, dated 30th October 1908, show that the Muhammadan who send their children to the school are a poor lot. The charge for conveyance is calculated at Rs. 540 for the year and the Muhammadan inhabitants of the place are prepared to subscribe a half of this and request that the other half may be borne by Government. The Inspector considers this desirable so that the further development of the school may not be retarded and the Director recommends it.

Reference is solicited in this connection to the remarks of the Hon'ble Mr. Forbes on page 2 of the notes connected with G.O. No. 681, Educational, dated 30th September 1908, and on page 2 of the notes connected with G.O. No. 30, Educational, dated 16th January 1909.

Perhaps, as a special case, the Director's recommendation may be accepted.

Financial u.o. for remarks as the acceptance of the Director of Public Instruction's recommendation means a recurring charge not exceeding Rs. 270.

FINANCIAL DEPARTMENT.

In passing orders on the opening of a Government Muhammadan Girls' School at Mylapore the Government did not accede to the proposal of the Director of Public Instruction that Government might

bear the charge on account of the conveyance of the girls to and from the school. The Honourable Member ruled—

"I am quite prepared to sanction the proposal (opening the school) on condition that private arrangements are made for the conveyance of the girls to school. This is the least the parents and guardians should do, if Government are undertaking the rest of the educational charges."

On a further representation in the matter in 1909 the Government ruled that the charge should be met by the parents or by other members of the Muhammadan community. The Director of Public Instruction has not advanced any special reasons for now proposing that half the charge may be borne by Government. There appears to be hardly any case for

Government bearing a portion of the charge. If once such a proposal is agreed to, it may result in similar representations on behalf of other girls' schools which may not well be negatived. It is submitted for orders whether in the circumstances the present proposal will be approved by Government.

2. The charge is estimated not to exceed Rs. 270 *per annum* and is debited to contingencies.

T.C.N.—20-11-11.

S.D.S.—21-11-11.

The Director of Public Instruction has returned to the charge once more. It is for orders whether the same reply should not be given him as on former occasions?

C. REILLY—22-11-11.

I submit that the Government should not accept any portion of the charge. It will form a dangerous precedent.

H. A. STUART—23-11-11.

We have the precedent of the Hobart school and the school at Mangalore. But in the former case I imagine the girls are older than they are at this Muhammadan school. In any case we should not extend the concession; Mangalore is a special case where the population is of a specially backward character. We may say Government is not prepared to grant the concession asked for.

M. H[AMMICK]—25-11-11.

A draft order is submitted for approval.
