IntimationReference No. 2998, dated 1st November 1911

At the instance of the Collector of Vizagapatam,
the Board requests that Government will be pleased to
sanction the permanent exemption of K.A.Narasimham, a
temporary Minor Irrigation Sub Overseer, Palkonda, from
the examinations prescribed for the post of a Minor
Irrigation Sub Overseer. The post carries a salary of
Rs.30 per mensem which is not sufficient to attract the
services of a fully qualified person, and though it fell
permanently vacant in 1909 and the vacancy was advertised
in the Fort Saint George and District Gazettes, no passed
candidates have applied. K.A.Narasimham was temporarily
appointed to the post in October 1909 and the Collector

did not apply earlier for his temporary exemption as it was intended to dispense with his services as soon as a duly qualified man was secured. K.A.Narasimham has thus been kept on for two years and as he has been working satisfactorily, the Collector now proposes his permanent exemption. The Collector adds that K.A.Narasimham has completed the two years' course of study in the Civil Engineering College, Madras, though he has not passed the examination required, and has undergone training for one year in the Draftsman's class in the same institution and possesses a fair knowledge of surveying, levelling, earthwork, building materials and construction and preparation of plans and estimates. The Board supports the Collector's recommendation.

C. No. 2741. From the Board of Revenue Ref No 2993 dated 11-11-1911.

SUBJECT.

Permanent exemption of

Irrigation Sub Overseer in Vizagapatnam District

The Collector of Vizagapatnam proposes the permanent exemption of R. A. Narasimham, a temporary Minor Irrigation Sub Overseer from the examinations prescribed for the post of a Minor Irrigation Sub Overseer and this proposal is recommended by the Board of Revenue.

1. The pay of the post is 30 Rs. The examination which a Minor Irrigation Overseer ought to pass are given on page 5 of the Public Service Notification

2. Narasimham has not passed any of the examinations mentioned therein but the following are the grounds on which his application for permanent exemption is made.

(a) Narasimham has completed the 2 two years' course of study in the College of Engineering. It is not stated ~~that he has completed the course in the College of Engineering~~ ^{that he has completed the course in the College of Engineering} ~~but the Board is not satisfied about this.~~

in the Doughton's class of the College of Engineering

(c) He possesses a fair knowledge of Surveying, Levelling, Earthwork, Building materials and Construction and preparation of Plans and Estimates, but he has not passed any of the examinations mentioned in 19 ~~1900~~ on page 5 of the Public Service notification

(d) Though the vacancy was advertised in the Job of George and District Gazette, no passed candidates had applied so far. The pay of 30 Rs per m is said to be too low to attract the services of passed men.

4. Exemptions were granted ^{permanently} in the following instances from the Sub-overseer and Surveyor test

an unhealthy locality, which is an exceptional circumstance. The applicant had also, ^{passed} certain examinations viz 3 out of the 5 subjects mentioned in para 19 (iii) of page 5 of the Public Service notification. Vide G.O 553 m is dated 9-10-09.

(2) M. Marasimhamurti was exempted to hold the post of a Minor Irrigation Overseer on Rs 30 ^{only} vide G.O no 589 dated 29-10-09.

5. Please see the remarks of the Secretary on pages 7 and 8 of G.O no 589 dated 29-10-09 and also the orders of the Honorable Members thereon. It is for consideration whether a similar limitation is necessary in the present case. The remarks of the Revenue Department ^{who} may be obtained in the first instance.

20.11.11 For orders as to whether any limit of salary should be fixed in the draft order. In their reference, the Board say that the post which Narasimham is holding carries a salary of Rs 30 per mensem & Enquest the Collector's recommendation that the man should be permanent & exempted. The minor irrigation sub-overseers are of three grades — Rs 30, Rs 40 & Rs 50 and it is for consideration whether the exemption may be granted irrespective of any salary limit. The first sentence of the Board's reference would seem to imply that exemption without any limit of salary is asked for.
