Sir,

I have the honour to request that you will be good enough to obtain the sanction of Government to allow copies of the Vernacular versions of the "Scheme of studies for elementary schools for boys and for girls" to be distributed gratis by Sub Assistant Inspectors and Inspectresses to such teachers of aided elementary schools as are likely to make good use of them. I consider that the distribution of these copies is an absolute necessity.

I have the honour to be,

C. No 2749 From the D.P.D. No 7808 $\frac{1}{4}$ dated 4. 11. 1911.

SUBJECT.

Free distribution of copies of the vernacular versions of the "Scheme of studies for elementary schools for boys and for girls."

It is not known how many copies will be required for free distribution and what their cost will come to. For orders whether information on these points may be obtained from the D.P.D.

8N. The book is priced only an anna

and month be within the reach of all teachers of elementary schools. There does not therefore seem to be any necessity to supply them copies gratis. Perhaps information may be obtained as to what the cost to Govt will be if the D.P.D.'s proposal is accepted.

In 1907, copies of the scheme were supplied ^{free} to superintendents of elementary schools ~~for~~ who were servants of local boards and municipal councils but the reason was that it would cost

delay if copies had to be supplied by the Presidents or Chairmen concerned. But there seems to be no justification of the kind in the present case.

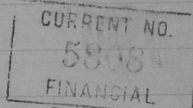

Re

11.11.11

This seems a very petty matter. & it is not desirable to compel the teachers themselves to pay, while the distribution of the cost between the local bodies who employ them would be more trouble than it is worth. If Finl. is not object, I propose to approve the proposal at once.
