From the Director of Public Instruction, dated 2nd November 1911, No. 5886.

In G.O. No. 664, Educational, dated 21st September 1911, the Government approved the proposal of the Director of Public Instruction that the scholarships given by Government to students of the College of Engineering should not be awarded to students already holding other scholarships. The Director of Public Instruction now submits for approval a draft of the alterations to be made in the rules of the college in order to carry out the above decision.

2. The rules affected are 50, 55, 60 and 62 and the changes made in them are—

(1) the addition of the words "to students who do not hold any other scholarships" at the end of the first sentence of rules 50, 55 and 62;

(2) the substitution of the words "non-scholarship holders" for the word "students" in the third sentence of rules 50 and 62, in the second sentence of rule 55, and in the first sentence of rule 60; and

(3) the substitution of the words "any other scholarships" for the words "one of the first-mentioned scholarships" in the fourth sentence of rules 50 and 62, in the third sentence of rule 55 and in the second sentence of rule 60.

3. The draft submitted by the Director of Public Instruction may be approved and published in the *Port St. George Gazette*, omitting rule 61 in which no alteration has been made.

4. A draft is submitted for approval.

R. SUNDARAM AIYAR—17-11-11.

The ungraceful phrase "non-scholarship holders" must go out. It reminds one of a by-gone *atrocities* which I have heard attributed to Mr. Grigg, viz., "the non-brilliant student." In rule 50, the opening sentence is enough, restricting all such

* 50, 55, 60 and 62.

L. DAVIDSON.

A | "Proviso.—No student shall be permitted to receive or retain a scholarship under this rule in addition to any other scholarship, or

Λ and the scholarship may be awarded to the next qualified candidate?

M. H[AMMICK].

B | Proviso.—In the award of scholarships under this rule, students who hold other scholarships shall be treated as disqualified Λ. I prefer A.

L. DAVIDSON—18-11-11.

I don't like A as it might be held to mean that the scholarship lapsed and was not to be awarded at all. B with the addition I have made seems to meet the case. I quite agree that the expression "non-scholarship holders" must not be permitted.

There is no hurry and the draft had better go u.o. to Dr. Bourne to make sure it is right.

M. H[AMMICK]—20-11-11.

To the Director of Public Instruction.

L. DAVIDSON—21-11-11.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

It does not appear necessary to add anything to rules 60 and 62 as no other scholarships are open to the classes therein dealt with.

In rule 50 we might add—

Proviso.—In the award of scholarships under this rule, students who hold one of the scholarships mentioned in rule 51 shall be treated as disqualified and the scholarship will be awarded to the student who stands next in order of merit.

In rule 56 add the *proviso* as above except that the words "the student who holds the scholarship mentioned in rule 56" must be substituted for the words "students who hold one of the other scholarships mentioned in rule 51".

I append below copy of the rules as now proposed.

A. G. BOURNE-24-11-11.

50. *Government scholarships.*—Two scholarships of the monthly value of Rs. 15 each will be annually awarded in each of the four class-divisions. At the commencement of the first year of study they will be granted by the Director of Public Instruction on the recommendation of the Principal. At the beginning of the third and fourth years they will be awarded to the two students who obtain the highest marks at the sessional examinations. A third scholarship of the monthly value of Rs. 15 will be awarded annually in each class-division by the Director of Public Instruction on the recommendation of the Principal to a student who does not hold one of the first-mentioned scholarships, preference being given to a Muhammadan or Indian Christian, or a European or Eurasian, in the order named. One scholarship of Rs. 20 per mensem, tenable for three years, may, under gazette notification, dated 11th August 1902, be awarded annually to a European or Eurasian student at the beginning of the course of study.

Proviso.—In the award of scholarships under this rule, students who hold one of the scholarships mentioned in rule 51 shall be treated as disqualified and the scholarship will be awarded to the student who stands next in order of merit.

55. *Government scholarships.*—Two scholarships of the monthly value of Rs. 10 each will be awarded annually in each of the two class-divisions. They will be awarded to the two students who obtain the highest marks at the sessional examinations. A third scholarship of the monthly value of Rs. 10 will be awarded annually in each of the two class-divisions by the Director of Public Instruction on the recommendation of the Principal, to a student who does not hold one of the first-mentioned scholarships, preference being given to a Muhammadan, or Indian Christian, or a European or Eurasian, in the order named. One scholarship of Rs. 15 per mensem, tenable for two years, may, under gazette notification, dated 11th August 1902, be awarded annually to a European or Eurasian student at the beginning of the course of study.

Proviso.—In the award of scholarships under this rule, the student who holds the scholarship mentioned in rule 56 shall be treated as disqualified and the scholarship will be awarded to the student who stands next in order of merit.
