In E.O. No. 34 dated 20-11-11, the Govt. decided that Engineer and Engineer subordinate students ~~under the~~ of the College of Engineering who undergo their practical course in the Presy. Ds. and who are treated for purposes of travelling allowance as officers of the third class, are not entitled to actual expenses under article 1080 C.S.R. for journeys performed by them within a radius of five miles from the Madras city.

2 with reference to the E.O. referred to above, The Deputy Accountant General ~~Madras and Ceylon~~, states that the Exe. Engr., Presy. Ds., has been asked to recover the amounts paid to Engineer & Engineer subordinate students on account of actual expenses from March 1910, the month in which objection was first raised by the Audit Office. But he requests orders of Govt. with reference to article 279-A ~~of the Civil Account Code~~ and rule 1 under article 972 ~~of the Civil Account Code~~, whether the amounts paid from October 1904 — the month in which <sup>payments on account of</sup> actual expenses ~~first~~ first appeared — to February 1910, may be remitted.

3 The Dy. Accountant General has not furnished information in regard to the names of <sup>the</sup> Engineer and Engineer Subordinate students from whom the amounts are ~~due~~ to be recovered in order to see which of them are employed in the P.W.D. and which of them are not. Orders are therefore requested whether this information should now be called for from the D.A. & or whether the remission of the amounts may be recommended on the ground that ~~Proposed to be~~ the students received them under 'a reasonable belief on their part' that they were entitled to them. If the latter view is accepted, the file may, it is submitted, be transferred to Educational for the issue of orders.

I certainly think the students believed they would be paid the amounts, because "actual expenses" had been paid to other students for several years. When I took charge of the Pres. Div. in May 1910, I objected to the procedure & a reference was made to the S.F. (Mr. Keeling) who agreed with me. It is evident from the statement

to recover any money from these students  
now, & therefore submit the file may  
be transferred to Education with a  
recommendation that the amounts may be  
remitted

The question of the admissibility

of granting actual expenses under article 1080 of the C.S.R. for journeys made within a radius of five miles of Madras by Engineer & Engineer Subordinate students under training for the purpose of taking measurements of works etc, was raised by the Examiner P.W. Accounts (now the Dy A.S. P.W.D) only in July 1910, and a definite ruling that the grant of actual expenses is inadmissible was issued by Govt in January 1911. Please see the Financial Dept notes on pp 3-5 of <sup>note to</sup> G.O. 34 Edcl 20.1.1911 written in that connection.

2 The amounts now proposed

to be remitted were all drawn prior to the issue of the ruling referred to and in the circumstances stated by the P.W.D in that Dept note 225-10-11 on pp 2 & 3 <sup>stated</sup> ante, & in view of the fact <sup>stated</sup> ~~expressed~~ in the Edcl. Dept note 210-11-11, <sup>on 6-3-11</sup> the proposal to remit the amounts may perhaps, it is submitted, be accepted in this Dept. The Local Govt is competent to sanction the remission under Art 279 A of the Civil Account Code. The file may be returned to Edcl for issue of order.
