Secretary to Government,

To

The Chief Secretary to the

Government of Madras.

Sir,

In accordance with the Resolution of the Government of India in the Home Department (Education) No. 10-Education-283-294, dated the 23rd July 1895, Government scholars from this Presidency are always provided with a 2nd class passage to -- London by sea. If they desire to go via Brindisi or Marseilles, they have to pay the difference between the cost of passage overland and that by sea. Mr. P. N. Mehd, Government of India Technical Scholar from this Presidency, has claimed difference between the cost of passage via Marseilles and that by sea and in support of his claim states that the Madras Government has paid this difference to Technical scholars from the Madras - Presidency, who have travelled via Marseilles. I am to inquire whether the statement of Mr. Mehd is correct and if so, in what circumstances 2nd class passage via Marseilles was allowed to the scholars.

I have the honour to be,

Sir,

Your most obedient servant,

Robertson

Secretary to Government.

In returning herewith letter No. 3038 dated 1st November 1911 from the Government of Bombay, forwarded to me for remarks with Government Endorsement No. 2754-1, dated 9th November 1911, I have the honour to state that the Resolution of the Government of India (Home Department) No. 10, Education, 283-294, dated 23rd July 1895 does not appear to have been communicated to this office, and that the second class passage via Marseilles, which appears to be inadmissible under the wording of the above Resolution, was provided by this office on the authority

T authority of G.O. 557 Educational, dated 10th August 1911 and
U Government of India (Home Department) 694 dated 31st August 1907
communicated in G.O. No. 639 Educational dated 25th September 1907.

In the circumstances, I would venture to suggest that the
approval of the Government of India might be obtained for the
passage already provided and paid for via Marseilles.

Subject.

Provision of passage by sea to State
scholars proceeding to London.

State scholars from this Presidency are usually provided in accordance with Home Department Resolution No.10 Education dated 23rd July 1895 with a second class passage to London by sea. During the current year, however, the State technical scholars were provided with a passage by the Marseilles route on the recommendation of the D.P.I. who apprehended that if the scholars left Bombay on the 26th August 1911 by the S.S. Caledonia as the Accountant General had arranged, their arrival in England after the middle of September might be too late.-vide G.O. No.557 Educational, dated 10th August 1911. The Govt. have power to do this - vide Home Dept. letter No.694 Edn. dated 31-8-07 on page 2 of G.O. No.639 Edl. dated 25-9-07. As in this letter the Govt. of India have authorized the local Govt. to sanction the payment of the travelling expenses of State scholars without reference to higher authority, it does not appear to be necessary to obtain as suggested by the A.G. the approval of the Govt. of India to the passage by the Marseilles route already provided.
