Memo. No. 2872-1921.11.11

With reference to his letter No.

No. 5728 of 11 dy. 17-11-11 requesting sanction to the supply of ^(Remington) four typewriting machines to the model school attached to the Teachers' College, Saidapet, the

D.P. is requested to state whether, ~~with reference to para 2 of~~ ^{as stated in para 2 of} his letter No. 6289

of 10.10.11, it ~~is~~ ^{would not be} desirable to supply this institution with machines of different patterns rather than ^{with} supply ~~four~~ ^{one}

machines of ~~the same~~ ^{one} pattern, and if he is requested to specify the no. of machines

of each kind which may, in his opinion, be purchased with advantage.

Madras

To The Secretary to the Government of Madras,

Educational Department,

Su,

p. 29 CF.

With reference to Official Memorandum No. 2872-1 Educational dated 23rd November 1911 I have the honour to state that in asking for a supply of five Remington Machines for the Model School attached to the Teachers' College, Saidapet, the desirability of supplying the institution with machines of different pattern was not lost sight of. In G.O. No. 264, Bd1. d/ 6th May 1911 the Government Madrasa-i-Azam was supplied with 6 Yost Machines. If the supply of 5 Remingtons to Saidapet is now sanctioned, three of these machines may be interchanged with three Yosts from the Madrasa-i-Azam. Thus both these institutions will be able to give practice to students in two kinds of machines. The Madrasa will have 3 Yosts and 3 Remingtons, the Teachers' College 3 Yosts and 2 Remingtons.

I have the honour to be,

Sir,

Your most obedient servant,

R. A. Arum

Director of Public Instruction

N.V.S.

NOTE FILE.

C. No. 2972. From the S.P.I. No 8128/11, dated 17-11-1911.

SUBJECT. Supply of five Remington typewriting machines to the model school attached to the Teacher's College, Saidapet.

In para. 3 of his letter No. 6289/11 S. 10. 10. 11 (in the linked file) the S.P.I. stated that the supply of two L. C. Smith Brothers' typewriting machines to the School of Commerce, Calicut, was "very desirable inasmuch as the School of Commerce is intended to be worked as a model institution providing practice in a variety of machines". The model school attached to the Teacher's College, Saidapet, is one of the institutions which it is proposed to organize as model secondary schools and the instruction in typewriting imparted in the school at Saidapet need not be inferior to that imparted in the School of Commerce. Submitted that, if it is desirable that the School of Commerce should provide "practice in a variety of machines" there appears to be no reason why the school at Saidapet should not adopt a similar course. Moreover from the statement of the prices of the different machines given below it will be observed that the Remingtons are the costliest. The prices are as follows:—

	Rs.
1. L. C. Smith	275-1-1
2. Underwood.	300-0-0.
3. Yost, no. 10.	300-0-0.

Op. p. 5 of Govt 702
S. 10. 11. A.

vide telephonic message slip. B.

4. Densmore

Rs 6
275-0-0

5. Remington

317-6-0

2. A draft memo. requesting the D.P. I to state whether machines of different patterns may be supplied is submitted for approval.

DP
21.11.11

22/11/11

22.11.11

[memo. No 2872-1 Dd, 22-11-11]

From the D.P. I. No 8128-11 d 30-11-11.

Please see the D.P.I's reply on page 3 of C.F. He proposes to purchase five Remington machines and to interchange three of them with three yorks from the Madrasa-i-Azgan. The Madrasa will then have three yorks and three Remingtons and the Teachers' College three yorks and two Remingtons.

2. As it is desirable that the institution should provide practice "in a variety of machines" the best arrangement seems to be to purchase two L.C. Smith, two Densmore and one Remington machines and to interchange one L.C. Smith and one Densmore machines with two York machines from the Madrasa-i-Azgan. This arrangement will enable the Madrasa to possess four yorks, one L.C. Smith and one Densmore and the Teachers' College two yorks, one L.C. Smith, one Densmore and one Remington. Such an arrangement will gain the object of the D.P.I, namely

do —

to provide practice in a variety of machines and it is also cheaper as shown below:—

The Cost of 5 Remingtons = Rs 317-8-0 $\times 5 = 1587-8-0$

" " " 2 L. C. Smiths = " 275-1-1 $\times 2 = 550-2-2$

" " " 2 Densmores = " 275 $\times 2 = 550-0-0$

" " " 1 Remington = " 317-8-0 = 317-8-0

Difference = $\frac{Rs. 1417-10-2}{169-13-11}$

The above is the price of the foolscap size. If brief size machines are supplied the difference between the cost of a Remington and a L. C. Smith machine is about Rs 109 — vide telephone slipped B. In that case the arrangement proposed above will be much cheaper.

3. Orders are solicited.

Page 1 of C.F.

The Principal, Teachers' College, would have five Remingtons & the D.P.O. recommends it. Submitter that they may be sanctioned.

Re. Yes. The best Remington are much to most widely used types in P. India.

2. Is that machine necessary?

No please. Under 17 A of interdepartmental rules. Please see also G.O. 26425 of 6.5.11 for a precedent. Very well, Draft sanctioned

Re. 6.12.11 J.P.M. proposed. J.P.M.

A draft order is submitted for approval.
