From (Name) The Hon'ble Mr. A. G. E. Courne, D.Sc. F.R.S.C.I.E

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,
Educational Department.

Su,

With reference to para 2 of my letter to Government

Enc. 4 to Sec C
11-7-11

Cur No. 4396 dated 29th June 1911, I have the honour to resubmit the list of science apparatus required for Pachaiyappa's College, Madras and to recommend that a grant not exceeding Rs 5,866/- or one half of the entire cost of the articles, whichever may be less may be sanctioned to be paid as funds become available on submission of the necessary vouchers by the correspondent.

2. Although the College has not yet been affiliated to the University of Madras in Branch II-A of the B.A. (Pass) course, the correspondent has pointed out that the articles specified in his list are not intended merely for the Branch II-A group but are also required for the Physics portion of Branch I of the B.A. (Pass) course in which the college has already been affiliated. The Professor of Physics, Presidency College, Madras to whom the list was referred for favour of opinion, remarks that apparatus of the kind detailed in the list is required for practical instruction and demonstration for the Physics portion of

Branch I of the B.A. (Pass) course, but that he does not approve of the marginally noted items because they are unsuitable,

necessary.

The total cost of the apparatus specified in the list excluding those not approved amounts to £ 782-2-9 or Rs 11,782-1-0. A half grant of Rs 5,866 is therefore recommended.

3. As the current year's budget provision for "Grants for furniture, apparatus and other special objects" has already been proposed to be fully utilized, the above grant, if sanctioned, can only be paid when funds become available, probably from the next year's allotment.

4. I request that the enclosures be returned when no longer required.

I have the honour to be,

Sir,

Your most obedient servant,
