READ—the following papers :—

I

Letter—from A. G. BOURNE, Esq., D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 21st November 1911.

No.—Ref. on Cur. 7003.

In continuation of this office letter, Ref. on Cur. No. 3394, dated 12th October 1911, I have the honour to submit the accompanying plans with estimates amounting to Rs. 9,700 for the construction of a new building for the use of the Roman Catholic Girls' School, Rayapet, Madras, and to recommend that a two-thirds grant not exceeding Rs. 6,466 may be sanctioned under article 57 of the Code of Regulations for European Schools. A brief history of the institution showing also its financial position is submitted herewith.

2. The grant, if sanctioned, may be paid when funds become available. At the time when building grants for other schools were recommended in this office letter, Ref. on Cur. No. 3394, dated 12th October 1911, a grant of Rs. 5,000 was reserved for this school on the recommendation of the Inspectress of Girls' Schools pending the submission of the plans and estimates. The total amount of Rs. 50,000 mentioned in paragraph 2 of the letter referred to above included a grant of Rs. 5,000 for this school and Government have since passed orders in G.O. No. 794, Educational, dated 15th November 1911, approving the proposals made in the letter subject to the scrutiny of the plans and estimates by the Public Works Department. The extra amount required for this school, viz., Rs. 1,466, may be found from other sources when the grant is paid.

ENCLOSURE.

Roman Catholic European Girls' School, Rayapet, Madras.

A short history of the institution.—The school was founded by the Roman Catholic Mission as a small parish school attached to the Church of the Purification, Rayapet, about the year 1860 and was supported entirely by Mission funds till it was recognized by the Educational Department as a lower secondary school when it obtained a nominal grant. Gradually it came into prominence with the advent into the district of a larger Eurasian population when it was finally recognized by the Board of Education as a European school in Proceedings No. 5210, dated 12th May 1893.

2. An account of its financial position—

	RS.	A.	P.
In the year 1897 amount of salary grant was	410	0	0

From the foregoing and the good inspection reports year after year, it is evident that the school continues to show a marked improvement and is giving satisfaction.

3. The strength of the school has been fluctuating within the past five years owing to frequent removals from the district. On an average the strength may be taken as 60.

Note by the Chief Engineer, Public Works Department, dated 20th December 1911.

The Director of Public Instruction submits to Government for a grant-in-aid an estimate amounting to Rs. 9,700 and two plans for constructing a building for the Roman Catholic Girls' School at Rayapet.

The plans and estimates have been scrutinised in the Chief Engineer's office and the sections of the roof timbers have been corrected where necessary.

One of the timbers mentioned in Circular No. 2040-C, dated 27th April 1909, as applicable to table I in Circular No. 234-C, dated 9th January 1908, should be used instead of Poonah wood.

The arches between the class rooms have been reduced from 17' to 14' in the Chief Engineer's office in order to reduce the thrust on the side walls.

With these remarks the estimate amounting to Rs. 9,700 is recommended for sanction.
