G.O. Mis. No. 794, Educational, dated 15th November 1911.

ABSTRACT.—Approving the proposals of the Director of Public Instruction to sanction the payment of building grant to certain European schools.

II

Note by the Chief Engineer, Public Works Department, dated 20th December 1911.

The Director of Public Instruction submits to Government for a grant-in-aid an estimate amounting to Rs. 9,990 and two plans for constructing a boarding house for the St. Joseph's European Boys' High School at Calicut.

The plans and estimates have been scrutinised in the Chief Engineer's office and the sections of the roof timbers have been corrected where necessary.

Rolled steel joists, 12" × 5" × 32 lb., have been provided in the Chief Engineer's office under the first floor in the main hall instead of the wooden beams, 5" × 9", as provided in the estimate submitted. The section of these beams is insufficient; the correct section required for teak beams would be 9" × 16". The Superintending Engineer should satisfy himself regarding the foundations and should decide whether any revetment is necessary owing to the drop in the ground level round the buildings.

With these remarks the estimate amounting to Rs. 10,215 as altered in the Chief Engineer's office is recommended for sanction.

C. A. SMITH,
Chief Engineer, P.W.D.

Order—No. 6, Educational, dated 6th January 1912.

The Government are pleased to sanction a grant not exceeding two-thirds of the actual expenditure, nor exceeding Rs. 6,810, towards the cost of constructing a boarding house attached to the St. Joseph's European Boys' High School, Calicut, subject to the following conditions :—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted;

(2) that the work is completed before the 30th April 1913;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 31st May 1913;

(4) that all other conditions prescribed in the Code of Regulations for European schools have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.
