To The Secretary to the Government of Madras,
Through

The Accountant-General,
Educational Department,

I have the honour to request that you will be so good as to obtain the sanction of Government for the employment of an additional assistant on Rs 50 per mensem in the Model School attached to the Government Training School, Calicut, with effect from 1st November 1911 until the closing of the school for the summer vacation of 1912 or until the scheme for the reorganization of training schools is introduced, whichever is earlier.

2. The Model school contains 8 standards with 209

classes higher than the fourth, that the time table of the training section does not permit of any of the assistants of that section to work in the Model School and that very great difficulty is experienced in arranging for the work of the classes. He requests therefore that the staff may be strengthened by the employment of at least an additional qualified teacher. The Inspector of European and Training Schools recommends the proposal as the present arrangement is not conducive to the efficiency of the school, and I strongly support his recommendation. In this connection I beg to invite the attention of Government to paras 3 and 4 of my letter Ref on Cur No. 3477 dated 1st June 1911 disposed of in G.O. No. 401 Mis. Educational, dated 28th June 11 regarding the employment of two temporary additional teachers in the Model School attached to the Tanjore Training School, and to state that the reasons set forth therein apply with even stronger force to the present case.

3. I submit herewith the necessary proposition statement and a reappropriation statement for meeting the extra charge during the current year. Another statement pointing out how the charge can be met during the next official year will be submitted on receipt of the Civil Budget Estimates of that year.

Please see para 2 of the D.P.O.'s letter - Nos 1 & 2 of Cb. The Director seems to have made out a case for an additional teacher in view of the large strength of the model school.

2. In regard to the pay proposed for the teacher, reference is solicited to para 3 of the D.P.O.'s letter no 2477 of 1.6.11 wherein he suggested for the two teachers applied for by him for the Hig School, Tanjore, salaries of Rs 30 + Rs 25 each. He now proposes a salary of Rs 30 for the ~~proposed~~ additional teacher for the school at Calicut. This may be approved as was done in the case of the Tanjore school.

3. The draft order below is for approval. If approved, it may go to Finl for acceptance. The reappropriation statement should be sanctioned in that dept, which may be requested to make

The highest rate of pay @ 30% proposed for the temporary assistant for the model school attached to the Govt Training school, balicut is apparently intended to benefit the head-master of the school who draws only @ 24%. Such a course is clearly opposed to para 1 (3) of G.O. 333 Fial 2 2.8.10 which states that "when pay in excess of the lowest rate is sanctioned the special rate ^{thus} sanctioned shall be drawn by the man who actually does the work for which the temporary addition is made to the establishment and by no one else." The pay may perhaps be fixed at @ 15% which is the minimum pay allowed to a first assistant.

2 It is proposed to give effect to the sanction from 1.11.1911 or the date from which the assistant master was entertained. The general rule is that sanction should take effect from the date of the order. In the present case the D.P.I has not asked for permission to employ the assistant master in anticipation of the sanction of Govt. It is therefore submitted that it seems sufficient if sanction takes effect from the date of the order. The D.P.I has pointed out the source from which the charge in the current year can be met. For next year the charge will amount to about @ 60% or @ 30 according as the higher or

to get anything better than a lower secondary man for Rs 15 and instead of adding to the lot of these inferior men it would decidedly be in the interests of the school to have a man of fairly good attainments, for instance, a trained T.A. A pay of Rs 25 at least may, it is submitted, be fixed, the D.P.I.'s attention being specially drawn to clause (3) of G.O. No 333 Fin^d, 2.8.10

For Secy

The draft has been modified so as to sanction a temporary teacher on Rs 25. Orders are requested as to whether the D.P.D.'s attention may be drawn to clause 3, of G.O. no 3337 dated 2.8.10 as suggested in para 4 of notes on page 5 ante.

2. In regard to the date from which the sanction should have effect, the Finl Dept suggests date of order - page 6 ante. For orders as to whether this may be accepted. If so, the portion of the draft "with effect from the 1st November" "or date of actual entertainment" may be omitted.
