Dear Mr. Bourne,

With reference
to our interview of this
morning, I should wish,
before returning an
answer to the proposal
with regard to Mayhew,
to be furnished with
some further information,
if possible, on the
following points:-
(a) The status and

In his D.O. of 4th instant, Mr Mackintosh wants to know

(1) The status & constitution of the College in Nagpur.

According to the Pub: Inst: Report of the Central Provinces for 1909-10, there were only 3^{1/2} Colleges in the C.P., of which only one is a Govt institution — the Jabbulpore College, the two others being under private management. The Secy of State apparently refers to this College.

It is affiliated to the Allahabad University up to the B.A. Standard & the Constitution of the staff is given on page 485 of the Calendar for 1911 put up.

(2) The arrangements as regards vacations which prevail there.

On this point, definite information is not available: But ~~seems~~ the B.A. Exams are held in April & the summer vacation will be about three months till about the middle or end of July.

(3) The difference, if any, between the prospects of a member of the Indian Ed Service in the Central Provinces & the Madras Presy resp. The number ^{male} of officers in the Madras

50. 80.

Presy is 26 — 24 on Rs 500-1000 + 2 on 500-750, with four Personal allowances — two on Rs 250-500 + 2 on Rs 200-250. In the C.P., there are 9 officers in the J. 2d, including the D.P.I., with only one Personal allowance on Rs 200-250.

According to the proposed reorganization of the service, there is to be a uniform scale of Rs 500-50-1300 with perhaps 5 officers on the higher scale (Rs 1400-200-1800) (The Govt of India letter, page 4, gives only 4 higher appointments on a total strength of 21: But according to the verified prop^d statement the strength is 26 & there will be 5 on the higher scale — 20 p.c.).

In the C.P., there will be 9 on Rs 500-1300 with the two being on the two officers being on the higher scale.

Perhaps prospects in the C.P. in the limited number of officers may be better. But it will depend upon the officers now in the service & the prospect of their retirement.

It is for orders what reply should be given to Mr Markintosh. The information about the proposed reorganization ~~should~~^{need} not be given as it is in the Confidential stage.

6.1.12

This information does not carry the matter beyond - or need as far as - the stage of W. Mackintosh's personal knowledge derived from Shaker's Directory, p. 211, which shows that an Indian Educational Officer W. E. A. Macnee, is Professor of English (on Mission) at the Morris College, Nagpur. This is probably the vacancy in issue. I have spoken to D. B. Bournie about the case this morning & I accept his view that the next stage in the case should be a telegram & letter to the Govt of India in the terms of W. Mackintosh's do. of 2nd January. Please prepare drafts accf.
