Permanent From 22nd June 1911.	The period for which sanction is sought (with dates of commencement and of termination)
First application.	Is this a first application or is there a renewal of a previous sanction ?
No steps have been taken. The applicant held the appointment of a Typist at this Hospital from 29th November 1909 to 21st April 1911. He is therefore known to me & is quite suitable for the post of a Store-Keeper as he has acquired a sufficient knowledge of maintaining the stores and accounts from the previous incumbent. I strongly recommend this applicant for the post. As I feel much more comfortable with a Store-Keeper with whom I am personally acquainted than I should feel with a complete outsider and stranger.	What steps have been taken to procure the services of a passed candidate & with what result. Recommendation of the head of Department. Remarks.

For the S.G.

The Supt. of the Maternity Hosp. has not taken any steps to secure the services of a passed candidate for the apt. of Storekeeper and applies for exemption in behalf of the present incumbent as he is personally known to him and has acquired some knowledge of the work. In order whether the exemption will be granted.

Col. Giffard's ignorance almost disarms criticism. He never repeats the A.B.C. of repetition. But the proposal may be agreed to provided that it is clear.
