To The Secretary to the Government of Madras,
Revenue Department.

Sir,

The Hon'ble Mr. W. O. Horne, Commissioner of Land Revenue and forests.

Read G.O. Mis., No. 1197, Revenue, dated 26th April 1911
Read application for exemption from the examination rules

received from A. W. Lushington Esq., Conservator of Forests,
Northern circle, Camp No. 69, dated 22nd October 1911.

Read the following Board's Reference No. 3207/11-1, dated
8th November 1911.--

The Conservator of Forests, Northern Circle, is requested

to report whether no passed candidates are available and what
steps were taken to procure passed men.

2. The Conservator has not stated whether he has satis-

satisfied himself that the persons proposed are fit to be confirmed. He is requested to do so now and resubmit the application with a certificate, to that effect.

And letter from A.W.Lushington Esq., Conservator of Forests, Northern Circle, R.C.No.3430 dated 18th November 1911:---

With reference to Board's Forest Reference No.3207/11-1, dated 8th November 1911, I have the honour to state that throughout the Northern Circle passed candidates are by no means as abundant as they are in the South of the Presidency, and such ordinarily, easily obtain far better appointments in other vocations, especially clerical work, which are more congenial to them than in the Forest Department. Such as have been appointed have soon given ^{it} up, being unable to withstand the hardships of forest life. I have been therefore appointing deserving Foresters whom the District Forest Officers recommended, as Deputy Rangers, but there are only a limited number of such Foresters, and, consequently, some appointments in the Deputy Rangers class frequently fall vacant. An attempt to replace the Deputy Rangers now recommended for exemption by passed candidates would not be effective, it would only result in dislocating work and in not making use of the training and experience on various forest operations these men have gained during the last two years. Practical education is, for us, far more important than theoretical. I consider the men proposed to be fit to be confirmed in the Deputy Rangers grade. The application is resubmitted with the required

certificate.

C E R T I F I C A T E

I have been satisfied with the work of Deputy Rangers Harry Davis, F.B.Throp, Mahammed Abdul Aziz, N.Narayanaraju, A.J.M.Snaize, A.Seetarama Rao and consider therefore, that they deserve confirmation.

Submitted to Government.

2. In the circumstances explained by the Conservator of Forests, Northern Circle, the Board requests that the 5 Deputy Rangers mentioned in the accompanying application may be permanently exempted from the general educational qualifications prescribed in Section 31(1) of the Madras Forest Code.

12.1.12To Under Secy

Under Sec 31⁽¹⁾ of the Forest Code, first appointments to the class of Dy Ranger ~~will be~~ should be given to men of good physique, of not more than 25 years of age, educated up to a standard not less than that of the Matriculation Examination. This is based on Sir Gabriel Stokes' note of 18.7.08 on pages 3 & 5 of note to G.O. No. 2034 Revd 27.7.08. The Comr of Forests N.C. (Mr. A.W. Lushington) has appointed the following six men to be Dy Rangers and requests that they may be permanently exempted from the above rule.

1	Harry Davis	22
2	F.B. Throp	29 1/2
3	Muhammad Abdul Aziz	34
4	N. Narayana raja	24 1/2
5	A.J.M. Snaige	20 3/4
6.	A. Seetharama Rao	—

The Commr says that it is difficult to obtain passed candidates for employment in the executive branch of the Forest Dept. He also certifies that ~~these six men~~ he is satisfied with the work of these six men & considers that they deserve confirmation. The Board has, however, omitted the name of A. Seetharama Rao & recommends that the other 5 men (Nos 1-5) may be exempted. It will be seen that all these five men are non-brahmins. In this connexion attention is invited to paragraph 2 of G.O. No 1624 Res dated 11th June 1908. The Bd was asked to secure for the Forest Dept candidates of the kind frequently enlisted in the Salt & Akari Dept — young Englishmen who have received a public school education & who unite good physique with fair intelligence, Europeans born & educated in this country & Eurasians, and Muhammadans.
