British Consul-General at Marseilles to India Office.

Director of the "National School of Agriculture" of Montpellier.
December 18th. 1911.

Sir,

I have the honour to submit the case of Gopala Krishnan, of Mysore, a student of sericulture, at the "National School of Agriculture" of Montpellier.

Krishnan applied to me for pecuniary assistance (1) to pay his outstanding debts, which amount to over £20; (2) a further sum, to enable him to continue his studies at Montpellier, until he can procure his Diploma; (3) his passage home.

He stated that he is to receive 60 Rupees monthly from the "National Fund and Industrial Association" of Madras.

The allowances for October, November and December 1911 have already been paid, but Krishnan finds the allowance quite insufficient for his needs. It cannot cover his board and lodging, and education fees.

He has managed to ^{live} ~~give~~ by giving lessons, and with the assistance of friends, who have now left Montpellier.

His landlord threatens to turn him out, and his Restaurant refuses further credit.

My Vice-Consul, at Cette, has inquired into the facts, and verified Krishnan's papers, copy of which I have the honour to enclose.

Krishnan requests that the following may be communicated with; (1) the Secretary of "the Hindu Education Fund", for his return passage money, about 500 Rupees; (2) the Secretary of "the National Fund and Industrial Association", Madras, with a view to the payment in advance of his Scholarship from January to August 1912, for the payment of his school fees in advance; (3) the Maharaja of Mysore to

to submit the enclosed letter of recommendation from the
Director of the "National School of Agriculture", of Mont-
pellier.

Your letter No. 8034, F.M. 51096 of the 15th March enclosing
application of M. V. Gopala Krishnan has been received, I
have the honour to state that I have met the applicant and
he appears to be a capable and industrious young man. The
amount asked for by him, viz: Rs. 500 per month together with
Rs. 40 granted by the Madras Industrial Association would not
be more than sufficient for his needs in France. However,
I do not think that, considering he has already had the
training in Japan, he should require to spend more than two
years in France to become thoroughly trained in sericulture,
and as to the advisability of Government sending him at all,
I am hardly prepared to express an opinion but as Government
have for sometime been spending considerable sums on seri-
cultural work, I believe it would be certainly wiser to have
such work carried on by a thoroughly trained man than as it
is at present being done.

Such an officer, if trained and appointed, should, in
my opinion, work in the Agricultural Department, and espec-
ially under the Division of Entomology, as is almost the universal
custom.

from Mr. Gopala Krishnan, le 5th. Decembre 1911.

Monsieur le Consul-Général,

J'ai l'honneur de vous recommander, Mr. Gopala Krishnan,
venu de l'Inde après avoir étudié la sériciculture au
Collège Impérial d'Agriculture de l'Université de Tokio
(Japon). Il s'est présenté ici avec la recommandations des
Professeurs japonais.

Il a étudié la sériciculture sous ma direction pendant
la période 1911, et il a suivi, en outre, les cours d'Agricul-
ture de première année. Il suit, actuellement, avec régularité
les Cours de deuxième année.

Depuis trois mois qu'il a écrit aux Indes en vue d'
obtenir le paiement de l'allocation qui lui avait été promise
il n'a encore pas reçu de réponse et se trouve fort embarr-
assé.

Il vous demande, très instamment, de vouloir bien lui
prêter votre concours pour qu'il soit mis, aussitôt que
possible, en mesure de régler les dettes qu'il a contractées,
pendant ces trois mois, pour sa nourriture, son logement et
ses inscriptions.

Mr. Gopala Krishnan est un jeune homme qui mérite qu'on
s'intéresse à lui et je me permets de vous demander de vouloir
bien l'aider à faire régulariser au plus tôt la situation
incertaine et très désagréable dans laquelle il se trouve.

Veuillez agréer, etc.,
