We passed some months ago an order forbidding carriage hire to poor Muhammadan girls in Triplicane for going to school. I have recently seen the manager of the school and am inclined now to give *half* charges for jutka hire and modify the order. Will you kindly put up the papers in the case.

FINANCIAL DEPARTMENT.

Half the charge on account of the conveyance of girls at the Government Girls' School, Mylapore, proposed to be borne by Government is estimated not to exceed Rs. 22½* *per mensem* or Rs. 270 *per annum*. There is no provision in the budget for the charge that will be incurred in the current year. The Director of Public Instruction has to be asked to submit a reappropriation statement to meet the charge before any expenditure is incurred.

* Three carts at Rs. 15 *per mensem* for each cart. The cost *per mensem* is therefore Rs. 45, half of which is Rs. 22½.

G.O. No. 506, Financial, dated 5th December 1910.

2. As regards next year the Accountant-General may, it is submitted, be asked on receipt of the Educational department proceedings on this case to enter the necessary provision (Rs. 270) in the budget for 1912-1913 under the head "22-E. EDUCATION—GOVERNMENT SCHOOLS, GENERAL—ELEMENTARY SCHOOLS FOR BOYS AND GIRLS—For Girls—Contingencies" and to manipulate the amount deducted for probable savings so as to leave the total under the minor head unaffected.

3. Subject to the remarks at paragraph 1 *ante* the draft may, it is submitted, be accepted in this department.

S.D.S.—21-1-12.

Submitted with reference to Honourable Member's note above.

C. REILLY—22-1-12.

This will form a third precedent and if we give this concession I do not know on what grounds we can refuse it to any Muhammadan Girls' school. Honourable Member has not mentioned any special circumstances in his note above.

2. Under the rules the case must go to the Governor if it is decided to reverse G.O. No. 849 of 2nd December 1911.

H. A. STUART—24-1-12.

The Hobart Training is hardly a precedent as we pay there because we desire to get the girls to school, not so much for their own sake, but as material for the training school. We are compelled to fill the school or otherwise we should have to shut the training school. In Mangalore we pay for the bringing of girls to school because the people there are backward.

My reason for desiring to see the papers again is that the manager has been to see me more than once and reports that he cannot collect any more money and what he has collected is not enough to pay more than half charges for the carts and that unless Government come to his help he must shut the school.

The school, Dr. Bourne tells me, is well reported upon and has, I think, he said about 150 pupils.

We shall not get the girls to come to school unless we help towards carrying them there and I think, if we pay only a moiety of the charges leaving the management to find the other half we shall not find that there will be any inconvenient demands in future for similar concessions.

The community in Madras is poor enough and the parents of the children at this school are many of them of the poorest as the papers in G.O. No. 30, dated 16th January 1909, show.

On the whole I am inclined to grant the concession on the above grounds and considering the fact that we do specially desire to raise this miserable class of Muhammadans here, which we can best do by giving their girls some kind of education.

His Excellency must be troubled with the case under the rules.

M. H[AMMICK]—26-1-12.

I am agreeable to give the half.
