Letter—from the Hon'ble Mr. H. SHARP, C.I.E., Joint Secretary to the Government of India, Department of Education, (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Calcutta, the 16th January 1912.

No.—133.

I am directed to forward, for the information of the Governor in Council, twenty copies of the revised rules for Indian Government Sanskrit and Arabic scholars in Europe and to request that they may be substituted for the rules which were communicated to the Government of Madras with this department letter No. 445, dated the 22nd March 1911.

ENCLOSURE.

Rules for Indian Government Sanskrit and Arabic Scholars in Europe.

The Secretary of State considers it desirable that all Government scholars should avail themselves of the information and advice which the Educational Adviser to Indian students is in a position to give them, and these rules are framed with that end in view. Government scholars, equally with private students, may consult the Educational Adviser upon any question, and will receive from him all possible assistance, and the Secretary of State hopes that they will communicate with the Educational Adviser, not only on the occasions when they are directed so to do in these rules, but also in any circumstances of difficulty, and whenever they desire advice or information. Scholars will be regarded as being under the supervision and charge of the Educational Adviser, to whom they should, in all cases, address any communication they may have to make, and to whom also all reports or other communications having reference to scholars should be sent. The Educational Adviser will bring to the notice of the Secretary of State on behalf of any scholar any question requiring his decision, and will communicate to the scholar the orders passed by the Secretary of State.

2. Every scholar should, on reaching England, at once call upon the Educational Adviser* and report his arrival in writing. He should leave his address with the Educational Adviser and intimate to him from time to time all changes therein.

*The Educational Adviser's Office is at 21, Cromwell Road, South Kensington, S.W.

3. Every scholar should, without unnecessary delay, inform the Educational Adviser to which University he intends to proceed, and should at once take steps to enter himself at the college he has finally selected with his approval.

4. Every scholar must, within four weeks of reaching England, submit to the Educational Adviser, for the approval of the Secretary of State, a statement showing the general course of study he proposes to follow; and the course approved must not be changed without the sanction of the Secretary of State.

5. Every scholar must, at the end of each term of residence at a University, submit to the Educational Adviser a certificate from the proper College or University authority, showing that his residence, conduct, and progress in study have been satisfactory during the term.

6. Every scholar must at all times obey such instructions as he may receive from the Secretary of State, either directly or through the Educational Adviser.

7. Subject to a due compliance with the above conditions, the allowance at the rate of £150 a year for two years will be paid quarterly, in advance, by the India Office, commencing from the date of the scholar's reporting his arrival in England. The first payment will be £37-10s. Three months after the date of reporting arrival the amount to the ensuing official quarter day will be paid. Subsequent payments will be made in advance, on or after each official quarter day. The allowance will be reduced by the amount of any other sum which may become payable to him out of the revenues of India in respect of residence at a University or College, during the same period or any part of it, and also by the amount of any University or College bills, of which payment is made by the India Office.

The necessary travelling expenses of scholars by second class, or by third class if no second class be available, will also be separately defrayed by the Secretary of State; these should be claimed on forms obtainable from the Educational Adviser.

8. No claim can be admitted for the payment or refund of any expenditure unless the scholar has obtained the previous sanction of the Secretary of State for India to such expenditure. (This does not apply to necessary travelling expenses referred to above.)

9. Every scholar will forfeit his scholarship who, not being disabled by illness or prevented by any other cause which the Secretary of State may consider sufficient, fails to complete a residence of two years in England according to the terms and conditions approved by the Secretary of State under Rule 4, or who is guilty of misconduct or disregard of the orders of the Secretary of State. If a scholarship be forfeited, or if it be resigned before completion of its term, or if a scholar on completion of the term of his scholarship declines to return to India when instructed to do so, the scholar will lose his claim to a free return passage to India, and will further become liable, at the discretion of the Secretary of State, to refund the cost of his free passage to England.

10. At the expiration of his scholarship a scholar is provided by the India Office with a free second-class passage to India. The scholar is not entitled to make his own passage arrangements and to claim an allowance in lieu from the India Office without the special sanction of the Secretary of State. All communications on this subject are to be made to the Educational Adviser.

11. Should the Secretary of State be advised that the state of a scholar's health is such as to render his return to India desirable, the scholarship may be terminated forthwith and a free return passage granted to the scholar.

Order—No. 91, Educational, dated 5th February 1912.

A copy of the revised rules for Indian Government Sanskrit and Arabic scholars in Europe will be communicated to the Director of Public Instruction and the rules will be published in the *Fort St. George Gazette*.
