To The Secretary to the Government of Madras, Madras,
Educational Department,

Sir,

In returning the endorsement of Government No. 2928 - 1., dated 28th November 1911, I have the honour to quote below the observations of the Curator, Oriental Manuscripts Library and to state that he seems to have given good reasons for not supporting the proposal of Mr. A. Rea.

"I have the honour to state that since many of the
"manuscripts in the Library are in such a condition as to be
"easily damaged if not properly handled, since visitors to the
"Library which is freely open to the public, are apt to
"complain of inconvenience if the manuscripts they require
"are at any time seen to have gone out of the Library, and
"since the occasional consultation for which the manuscripts
"are required on loan by the office of the Superintendent,

"from this Library".

I have the honour to be,
