The Governor in Council.

MADRAS.

The humble memorial submitted by A.L. A.R. R.M.

Arunachalam chettiar ——— Zemindar of Devakota and other leading inhabitants of Devakota most respectfully sheweth:—

1. That the town of Devakota is the most important place in the whole of Nattukkottai chettis' Nadu as it is now made the head quarter of a Sub Division in the Ramnad District. It also contains the Incometax Tahsildar's Office, The Post Office, The Sub Registrar's Office, The Police Station, and the Local Fund Dispensary.
2. The town of Devakota is inhabited mostly by rich and enterprising Nattukkottai chetties, Brahmans, Mussalman and Kallars besides several other classes.
3. There are now nearly 1500 young students in schools who are getting elementary education in Vernacular in the old rudimentary fashion, and not one English school could be found within a radius of 50 miles.
4. As people advance in civilisation, the need for English education is most keenly felt and the people here feel this want, though most of them are in a very affluent circumstance. Such rich parents and officers cannot send their young boys to distant places like Madura, Trichinopoly, Pudukotta, for which there is no Railway communication.
5. The population of the town is nearly 15000 and the inhabitants of the neighbouring towns such as Karaikudi, Kandanore, Pudukottai, Kottayur, and other chetti places and villages, can easily send their boys here for education.
6. The memorialists learn that Their Most Imperial Majesties have very generously sanctioned a large sum on the cause of education and if the benign Government can kindly place a sufficient sum for the maintenance of a model high school here, the humble memorialists will also try their best by contributing any proportion towards the cost.
7. Considering the standard of education which other

Station, Madras, Dated the 24th January 1912.

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.C.I.E.

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,
Educational Department,

Sir,

In returning herewith the papers referred to me with Endorsement No. 111 - 1, Educational, dated 16th January 1912, I have the honour to state that Devakottai is the headquarters of Nattukottai Chetties and has become more important of late as it has been made the headquarters of a division in the new Ramnad district, and that it is expected that there will be an influx of people wanting secondary education there, to say nothing of the fact that the Chetties are now awakening to the value of modern education. There is, however, no reason why a model secondary school should be opened there by Government especially in view of the fact that the Chetties of the place are reputed to be well-to-do.

I would therefore suggest that the petitioners be told that their request cannot be granted but that if they raise

raise adequate funds to endow an incomplete secondary school
in the town Government would be prepared to give them a half
grant towards the endowment.

I have the honour to be,

S i r,

Your most obedient servant,

G. Krishnamoorti
