## Scholarship (European and Eurasian).

Submitting to the Government of India the name of Horace Hector Hearne in connection with the scholarship to be awarded this year for members of the domiciled European and Anglo-Indian community.

## GOVERNMENT OF MADRAS.

## EDUCATIONAL DEPARTMENT.

READ—the following paper:—

*Letter*—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

*To*—the Secretary to Government, Educational Department.

*Dated*—Madras, the 15th February 1912.

*No.*—Ref. on Cur. 1173.

With reference to G.O. No. 754, Educational, dated 13th November 1907, I have the honour to submit the applications of the undermentioned candidates for the State scholarship tenable in England by Europeans and Eurasians educated in India:—

(1) *Charles James Van Haeften*.—Born 19th February 1894. Has passed the high school examination in the third class. Has just completed eighteen years of age. He was an applicant for the scholarship last year. Is now in the senior Intermediate class, the Pittapore Raja's College, Cocanada.

(2) *Horace Hector Hearne*.—Born 23rd February 1892. The applicant passed the First-in-arts examination in 1908. He is in St. Joseph's, Bangalore, and is preparing for the B.A. degree examination. He passed the Matriculation examination when he was fourteen years of age and F.A. examination while he was sixteen years old.

(3) *Alwin C. Elder*.—Born 11th June 1893. Passed the high school examination in 1908. Is preparing for the Intermediate examination. He was an applicant for the scholarship in 1910.

(4) *Dennis Llewellyn Andrew*.—Born 14th August 1894. The candidate is only seventeen years of age and has passed the high school examination in the third class.

(5) *Oscar Harry McCready*.—Born 26th July 1894. This candidate also is below the minimum age. He has undergone the course for the Senior Cambridge examinations at St. Joseph's, Coonoor. The result of examination not yet out.

(6) *Horace Tapp*.—Born 29th September 1893. The applicant passed the high school examination in the second class in 1910 from the United Provinces securing the sixteenth place and in Theory of Music, Junior, with honours from Trinity College, London.

(7) *Gervase Stanislaus Kearney*.—Born 19th June 1894. Is only seventeen years old. Has passed the high school examination in the second class.

(8) *William Arnold Fraser*.—Born 12th July 1893. Has passed the high school examination of 1910 and Senior Cambridge Local examination in 1911 and has completed eighteen years of age. He was an applicant last year. He is now an undergraduate at Christ's College, Cambridge, and the present application is made by his father.

2. Nos. (4), (5) and (7) are ineligible owing to their age being below the minimum limit of eighteen years. Of the rest, I would recommend that No. (2) Horace Hector Hearne be nominated for the scholarship. He has not passed the European high school examination nor is he a graduate of an Indian University (*vide* paragraph 3 (i) of the Government of India, Home Department Resolution No. 221-238, dated 19th March 1907), but his general education qualifications are much superior to those of the rest of the applicants, and I think he is likely to do well at an English University. I have interviewed him and am satisfied with his physique. His character, antecedents and family circumstances are set forth in the papers attached to his application.

## ENCLOSURES.

(1)

*Application*—from H. H. HEARNE, Esq.

*To*—the Inspector of European and Training Schools, Madras.

I have the honour to submit an application for the State scholarship to be awarded in 1912. I am nineteen years of age and passed the Intermediate examination of the Madras University at the end of 1908. I then migrated to Northern India to study for the superior grade accounts (competitive) but abandoned my intention owing to a revision of the regulations, which required all candidates to have taken the B.A. degree of Allahabad. Since then I have been in St. Joseph's and will appear for this examination in March of next year. My father was an Engineer, Public Works Department, Madras, and died while acting Executive Engineer of Salem. In the hope of a favourable consideration, etc.

*Testimonials.*

9. (a) Horace Hearne is personally known to me and my own impression of him as a thoroughly well-behaved and gentlemanly lad is strongly confirmed by the heads of Baldion's and St. Joseph's who have known him and his family for many years. After passing his F.A., Hearne went to Northern India to study for a competitive examination into the accounts but has since found that there is no scope for him in that department. He is certainly well above the average in character, intelligence and good breeding and would form a valuable Government officer.

F. T. RICHARDS, I.C.S.,  
Dist. Magte. and Collr., Bangalore.

(b) Mr. Horace Hearne has been with us since 1909 and has fully justified the good accounts we received of him from St. Joseph's, Bangalore. He is a young man of exceptional ability and I may say that during eighteen years of experience in Ireland and India I have not met one of greater promise. He has an excellent knowledge of English, Mathematics, Latin and is very fast in picking up languages. The attention he gives to details is an almost certain . . . of success.

Head master, St. Joseph's College, Naini Tal.

(c) This is to certify that Horace Hearne's conduct and character have been excellent during the short time he has been here, 1906-08. He stood first in the junior and the senior F.A. and carried most of the prizes.

L. FROGER, M.A.,  
Principal, St. Joseph's College, Bangalore.

(d) I have known Mr. Horace Hearne for many years and it gives me great pleasure in testifying to his character and ability while here as a pupil. He is perfectly sound in every way and I am sure would be a credit were he entertained in any branch of the Government service. In addition to this, he is a good sportsman and his success at games is only eclipsed by his success at his work.

P. V. ROBERTS,  
Late Headmaster, Baldion's High School.

1. This is to certify that Mrs. Hearne has a family of three girls and one boy dependent on her. Her income amounts to rupees one hundred and thirty only being derived from a military and a private pension.

DEPARTMENT OF EDUCATION.

*Dated Fort St. George, the 28th February 1912.*

SIR,

With reference to paragraph 3 (i) of the Resolution of the Government of India, No. 221/238, Education, dated 19th March 1907, I am directed to submit the name of Horace Hector Hearne for the favourable consideration of the Government of India in connection with the scholarship to be awarded this year for members of the domiciled European and Anglo-Indian community.

2. Mr. Hearne is a European and is a native of India within the meaning of statute 33 and 34 Viet., cap. 3, section 6. He was born on the 23rd February 1892 and has thus just completed his twentieth year. The Director of Public Instruction, the Hon'ble Dr. Bourne, who interviewed him is satisfied with his physique and considers his general educational qualifications to be much superior to those of the rest of the applicants. His father was an Executive Engineer in the Public Works department and his parentage on both sides is European.

3. Mr. Hearne matriculated when he was fourteen years of age and passed the First in Arts examination of the Madras University in 1908 when he was 16. He did not at that time continue his university course because it was his intention to appear for the competitive examination for admission to the superior grades of the Accounts department. A revision of the regulations for admission thereto led to the abandonment of this intention and he is now studying in the St. Joseph's College at Bangalore for the B.A. Degree examination, for which he will appear in April next. The college authorities bear high testimony to Mr. Hearne's abilities. He wishes to take up engineering.

4. I am to enclose in original his application together with the documents attached to it which include certified copies of certificates regarding his health and character and information as to where the original of his birth certificate is procurable.

I have the honour to be,

Sir,

*To*—the Hon'ble Sir MURRAY HAMMICK, K.C.S.I., C.I.E., I.C.S., Member of the Council.

*Dated*—Coonoor, the 12th February 1912.

May I solicit your influence in obtaining for William Arnold Fraser a state scholarship to be awarded this year. He was a boy in my school who passed the High School and Senior Cambridge Local examinations, and you will see from the enclosed copy of testimonials that he has passed into Christ's College, Cambridge, successfully in December last. If you can recommend him for this scholarship, I shall be very much obliged.

ENCLOSURE.

*Testimonials of William Arnold Fraser, undergraduate, Christ's College, Cambridge.*

I have known Arnold Fraser intimately from the time of my arrival in India in 1904, and can bear testimony to both his abilities and character.

He has passed through the standards of Stanes European High School, Coimbatore, with marked ability, and passed the High School examination held November 1910. He has also taken the Senior Cambridge Local examination in the subjects qualifying for entrance to the Medical Colleges.

Fraser is not only a good student but excels in elocution and outdoor sports. He is full of vigour and ambition and has all the parts that go to make a thoroughly manly student and I may state that I have not met one of the Eurasian community that I believe would be more worthy of, or profit more from, a Government scholarship in an English University.

Fraser's father occupies a leading position in his community, and has for years been a member of the municipal board and is always to the fore in matters of public interest.

To his mother's careful training Arnold owes much of his integrity and force of character. I can unreservedly recommend him as a candidate for the State scholarship.

COONOOR,  
9th February 1911.

W. M. THEOBALD.

I have known William Arnold Fraser for about a year, and very cheerfully give him this testimonial.

He is a most gentlemanly and painstaking young man, and I am sure he will give satisfaction to himself and all concerned in anything he undertakes.

COIMBATORE EAST,  
7th February 1911.

D. M. TOOMBY,  
Headmaster, Stanes European High School.

I have pleasure in stating that since I have been Principal of the above school, William Arnold Fraser has held an excellent character and in his studies has held the first place in the school.

STANES EUROPEAN HIGH SCHOOL, COIMBATORE,  
7th February 1911.

E. E. BERRY,  
Principal.

I have much pleasure in giving testimony to my knowledge of the bearer, Arnold Fraser. He has been known to me for many years and has attended my father's school for twelve years.

Although I am not officially connected with the school, I know the bearer to have been a studious and well-behaved member of the school and I give the letter in the absence of Mr. R. Stanes, the manager.

I wish the bearer success in his application as I believe he is deserving and will make the best use of the opportunity now offered under the Government of India scholarship.

COIMBATORE,  
4th February 1911.

F. J. STANES.

I have pleasure in recommending Mr. William Arnold Fraser for a Government of India state scholarship. He came into residence at Christ's College in October last, and spent last term in preparing for the Previous examination, part I (Greek and Latin), which he passed successfully in December. From part II of the Previous, he had already obtained exemption on the result of the Cambridge Senior Local examination. He now proposes to read for the Natural Sciences Tripos and for the University Diploma in Agriculture.

A part of Mr. Fraser's work last term was done under my personal supervision, and I can speak highly of his ability and his interest in study. He has also taken part in the general and social life of the college, and has rowed in one of the college trial eight boats. He seems to me to have made a good start in his Cambridge career, and to be certain to make good use of his opportunities here. I think him a very deserving candidate for a scholarship.

CHRIST'S COLLEGE, CAMBRIDGE,  
12th January 1912.

H. RACKHAM, M.A.,  
Senior Tutor, Christ's College, Cambridge.

I suppose these applications will be submitted when the time comes.

M. H[AMMICK]—18-2-12.

From the Director of Public Instruction, dated 15th February 1912, No. 1173.

The following eight candidates have applied for the State scholarship tenable in England by European and Eurasians, namely:—

- (1) C. J. Van Haeften—18 years.
- (2) H. H. Hearne—will be 20 years old on the 23rd instant.
- (3) A. C. Elder—18 years and 8 months.
- (4) D. L. Andrew—17 years and 6 months.
- (5) O. H. McCready—17 years and 7 months.
- (6) H. Tapp—18 years and 4 months.
- (7) G. S. Kearney—17 years and 8 months.
- (8) W. A. Fraser—18 years and 7 months.

2. Under paragraph 2 (1) of G.O. No. 754, Educational, dated 13th November 1907, candidates for the scholarship must have completed 18 years of age and not have completed 21 years on the 31st March of the year in which they apply for the scholarships. Nos. (4), (5) and (7) do not satisfy this condition; of the rest the Director of Public Instruction recommends No. (2), Horace Hector Hearne, for the scholarship. He is a European; the son of an Engineer, Public Works Department, Madras, who died while acting as Executive Engineer, Salem. He was born on the 23rd February 1892. He passed the Intermediate examination in 1908 while he was 16 years old and was afterwards preparing for the competitive examination for the superior Accounts branch, Public Works Department. Owing to the revision of the rules which now require candidates for the examination to have taken the B.A. degree, he has rejoined college and is preparing for the B.A. degree examination, for which he has to appear in March 1913. Dr. Bourne who has interviewed him states that his education qualifications are much superior to those of the rest and that he is likely to do well at an English University.

3. Candidate No. (8) is the one recommended by Mr. Stanes. Please see page 1 ante. He is a Eurasian; son of William Fraser, manager and proprietor, Boot and shoe factory, Coimbatore. He passed the European High School examination in 1910 and the Senior Cambridge Local examination in 1911. He is at present an undergraduate at Christ's College, Cambridge. If this candidate is recommended for the scholarship, the earliest possible intimation should be afforded to the Government of India in order to enable them to make enquiries regarding him in England—vide paragraph 4 of the letter from the Government of India, No. 323, Education, dated 6th February 1912.

T.K.—20-2-12.

The educational qualifications required are that the candidate should have Paragraph 3 (1), page 2 of G.O. No. 200, passed the High School examination or Educational, dated 5th April 1907. should be a graduate of one of the Indian G.O. No. 754, Educational, dated 13th Universities and should be between 18 and November 1907. 21 years of age. Of the eight candidates who have applied, Nos. (4), (5) and (7) are under age and the qualifications of the rest are as below:—

- (1) Van Haeften—High School examination.
- (2) H. H. Hearne—F.A. examination.
- (3) A. C. Elder—High School examination.
- (4) H. Tapp—High School examination.
- (5) W. A. Fraser—High School examination and Senior Cambridge Local examination.

The general educational qualifications of the Director of Public Instruction's nominee, H. H. Hearne, are superior to those of the rest of the applicants. But Fraser also deserves consideration. He is now an undergraduate at Christ's College, Cambridge. Dr. Bourne recommended him last year though he was under age.

For a precedent in which a candidate who had not passed the High School examination or was not a graduate of an Indian University was given a scholarship, reference is solicited to G.O. No. 138, Educational, dated 18th March 1910.

R. SUNDARAM AIYAR—22-2-12.

Hearne's credentials are excellent and the Director of Public Instruction's nomination may, I submit, be supported.

L. DAVIDSON—23-2-12.

Yes. Support his claim.

M. H[AMMICK]—23-2-12.

A draft letter to the Government of India is submitted for approval.

R. SUNDARAM AIYAR—26-2-12.

The draft as revised may issue. Keep a fair office copy.

Sir,

With reference to para 5 (1) of the Resolution of the Government of India No. 221/238, Education, dated 19th March 1907 I am directed to submit the name of Horace Hector Hearne for the favourable consideration of the Government of India in connection with the scholarship to be awarded this year for members of the domiciled European and Anglo-Indian community.

2. Mr. Hearne is a European and is a native of India within the meaning of statute 33 and 34 Vict., Cap. 3, section 6. He was born on the 23rd February 1892 and has thus just completed his twentieth year. The Director of Public Instruction, the Hon'ble Dr. Bourne, who interviewed him is satisfied with his physique and considers his - - general educational qualifications to be much superior to those of the rest of the applicants. His father was an executive engineer in the Public Works Department and his parentage on both sides is European.

3. Mr. Hearne matriculated when he was 14 years of age and passed the First in Arts Examination of the Madras University in 1908 when he was 16. He did not at that time continue his university course because it was his intention to appear for the competitive examination for admission

admission to the superior grades of the Accounts Department. A revision of the regulations for admission thereto led to the abandonment of this intention and he is now studying in the St. Joseph's College at Bangalore for the B.A. Degree examination, for which he will appear in April next. The college authorities bear high testimony to Mr. Hearne's abilities. He wishes to take up engineering.

2. I am to enclose in original his application together with the documents attached to it which include certified copies of certificates regarding his health and character and information as to where the original of his birth certificate is procurable.

I have the honour to be,

Sir,

Your most obedient servant,

L. D.
