Question 92. Is it a fact that the Committee of the Telugu Academy submitted a memorial to Government regarding the composition of the Telugu Text-book Committee? What action has been taken thereon?

[Meeting of 14th February 1912.]

dated 21st December 1911. The memorial on the same subject were received and they were also referred to the S.P.I. and his report has just been received. The S.P.I. admits that the qualifications of the members of the Telugu sub-committee are low and that he would at once appoint two acknowledged Telugu scholars if there were vacancies in the sub-committee. He therefore suggests that the total number of members of the Text Book Committee may be raised from 24 to 30.

The following draft answer is submitted for approval:-

"The question of appointing some acknowledged Telugu scholars to be members of the Text-Book Committee is under consideration".
