The letters^{*} in the Madras Times of the 29th December 1911 and in the Indian Patriot of the 4th January 1912 seem to have been written by persons who have not understood the scheme for the award of secondary school leaving certificates. They refer to the scheme as a School Final Examination, which it is not. The sole aim of the scheme being to secure that a pupil undergoes a definite course of study for a prescribed period in a recognised school and that during the period of his study he conducts himself in a satisfactory manner, candidates who have not completed the prescribed course of study cannot complain that they are not eligible for the Secondary School Leaving certificate. The Hon. Leg. Council Member interpellated on virtually the same subject in May 1911 and he was informed that the rules regarding the award of the Secondary School Leaving certificates could not be modified but that the hardship of such candidates as were not eligible for the School Leaving Certificate would be mitigated by relaxing ~~training~~ clause (3) of article I of the Public Service Notification (vide question 39 asked at the meeting of the 15th May 1911 and the answer thereto and the notes with G.O. No. 435 Edl., dated 4-7-1911). A note was accordingly added to clause (3) of article 1 of the Public Service Notification and under this note persons who were pupils in the sixth form of a recognised school in 1909 and pass the Matriculation Examinations in 1911, 1912 or 1913 will be eligible for Government service. Candidates who failed to pass the Matriculation Examination in 1910 or 1911 ^{may} therefore ~~may~~ now pass that Examination.

[These failures may appear for the matriculation examination in 1912 or 1913. They cannot get secondary school leaving certificates unless they go back to the IV form & that is not desirable to suggest this course nor could school managers be compelled to permit it.]
