~~It is a fact that~~ The examiners in Uriga at the Examinations under the Control of the Commissioner for Government Examinations have for a number of years been persons who are not Urigas.

The selection of the examiners is in the hands of the Commissioner and the Government have no reason to suppose that the examinations have not been conducted in an efficient manner. *The fort understood*

(There has been no complaint with regard to the examinations. ~~that the spread of education among the Urigas has been largely due to the exertions of the present examiners (his predecessor of Babu Chatterjee and after his death of Babu Palit whom it is now desired to oust - the former is a very good Uriga scholar than any Uriga.)~~
