ment, Revenue Department, with the appli-
cation in original and M.R.Ry.Viswanath's
testimonials.

Application for exemption from the Examination rules of an unpassed candidate for employment.

Name, age & educational qualifications of the unpassed candidate for whose exemption sanction is sought. 1	The post in which it is proposed to employ him and nature of the appointment i.e. whether <u>ad-hoc</u> or <u>temporary</u>. 2	The combined pay of the post. 3	The examination from which exemption is sought. 4	The period for which the appointment is expected to last. 5	The period for which sanction is sought (with date, if permanent) for re-employment and of termination. 6	Is this a first appointment or for a renewal of previous sanction? If permanent, is the previous sanction for re-employment? Is the position or the duties of the post in the state for which the candidate has been already exempted? 7	What steps have been taken to procure the services of a passed candidate and with what result? 8
B. Viswanath 22 years Passed Elementary Technical examination in Chemistry more than 10 years ago. He has been working as an analytical chemist in various firms. Undergone an apprenticeship in the chemical examiner's laboratory at Madras. Fellow of the Chemical Society.	Assistant to the Madras Agricultural Chemist. Permanent.	Rs. 50. 10. 100.	Matriculation Examination.	Permanent.	Permanent.	First.	Publication has been made in the Fort St. George Gazette of 12/9/54 no suitable candidate is available.

To

The Director of Agriculture,

Coimbatore.

Sir,

I beg to state that I am a candidate (age 22) for the place of the assistant (on Rs. 50) which has fallen vacant in your laboratory.

I have made a special study of Chemistry both theoretical and practical and have had experience of five years as an Analytical Chemist in various firms. I will appear for the ensuing government examination in Chemistry (advanced) in April next. I have also undergone an apprentice course in the Chemical Examiner's laboratory at Madras.

Copies of testimonials, regarding my Character and abilities, from various Chemists under whom I had the honour to serve are herewith appended. Reference may also be made to Major A. Miller, M.B., F.S.C., J.M.S., Chemical Examiner to the Government of Madras.

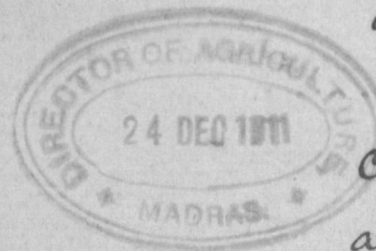

I shall be most happy to supply you with any further information which you may be pleased to ask me.

I venture to state that I can give you complete satisfaction in the discharge of my duty and justify the selection you have made.

Awaiting the favour of early orders,
I beg to remain,

$\frac{2}{87}$ Chinnappa Rowther
Street
Triplicane
Madras

Sir,
Your most obedient Servant,
B. Viswa Nath.

No. 1770.
6.12.X1.

CHEMICAL EXAMINER'S OFFICE,

Madras, 6th December 1911.

This is to certify that Mr. B. Viswa Nath has undergone an analytical Chemistry course at this Laboratory for three months commencing from the 4th September 1911. He has done volumetric and gravimetric analyses including the estimation of sulphates, phosphates, Nitrogen, Iron, lead, copper and Arsenic. He has also done complete analysis of cement and partial analysis of coal. He worked carefully and conscientiously during the time he was in the Laboratory.

(sd) A. MILLER,

M.B., F.I.C.,

Major, I.M.S.,

CHEMICAL EXAMINER.

1325.

GOVERNMENT HOUSE,
Ootacamund,
19th October 1910.

Dear Sir,

With reference to your letter dated the 14th instant, I
am desired by His Excellency to say that he was favourably im-
pressed with your work in connection with the manufacture of per-
fumes and matches.

Yours truly,

(Sd) A. A. DUFF, Major,
Military Secretary.

Mr. B. V. Nath,

Manufacturer of Perfumes and Matches,

Tuni, Godavari Dt.

8

TO WHOM IT MAY CONCERN.

Mr. B. Viswa Nath (B. V. Nath) has served in the above Mining Concern for a period of 2 years as a Chemist during which time he has proved himself to be a man of sound knowledge in Chemistry and in assaying the various samples sent to him from time to time by our prospecting staff.

During the time he served I have found him to be the best of my abilities, to be a hardworking, honest, reliable and a willing worker in the execution of his duties.

His knowledge of Commercial business has lead to his being given the post of an Asst. Agent also. It is with the greatest regret that we are obliged to part with his services.

(sd) *Hubert. P. G. Selvey*

Madras,

Managing Agents.

Branch Office:

Vizianagram, 14th April 1908.

✓
Mr. B. N. Nath worked in the laboratory of this Company as my Assistant for the period of some months during which time he showed himself to be a clever learner and soon became capable of taking my place in the ordinary routine work connected with the estimation of Manganese, Silicia, Iron & Phosphorus in manganese ore. He always proved himself to be an honest and trustworthy Assistant and is only leaving my service due to the reduction of Staff and no fault of his.

Mr. Nath is about to enter for an examination in Chemistry, in which venture he has my sincerest wishes for success.

Waltair, 0

16.7.07. 0

This is to certify that Mr. B. V. Nath has worked in this Estate in the capacity of a Chemist and Asst. Agent of the Koppaka Graphite Mine of the Rajah of Tuni for about one year and a half. This Mining work was in a thorough chaotic condition when he took it up and he took pains to improve it and introduced order and system therein to a large extent. When he took up service here this Mining work was done at a great loss to the Estate but owing to his strenuous exertions and the help rendered to him by Mr. Selvy the Manager of the Mine it has now become almost self-supporting. He improved the quality of the stuff obtained in the mine, made it fit for the market and secured orders for its sale. He has been indistrigous and hardworking and has good sense of duty. I wish him success in life.

Dewan & Muktyar to the
Rajah of Tuni and Agent
FOR THE KOPPAKA GRAPHITE MINE.

NOTES.

To Under Secy.

The Agricultural chemist attached to the Agrl. College and Research Institute has at present the dual duties of teaching and Research. In order to enable him in these duties, four assistants,

two on Rs 150-20-250 each p.m. and

two on Rs 50-10-150 each p.m.

were sanctioned to him. One of the assistants on Rs 150-20-250 was intended for the teaching branch and the other for the research work.

The two junior assistants are engaged in analytical work; one only of the senior assistants had been appointed and he is engaged in teaching.

The Director of Agriculture reported that no suitable candidate was forthcoming for the post of Chief Asst. for Research and requested that the appointment might be split up into two parts of Rs 50-10-150 and Rs 50-10-100.

R The Govt. sanctioned in G.O. No. 2137 d. 13-7-11 the creation of the two posts recommended and the abolition of the post of the Chief Asst. for Research.

2. The ~~Govt.~~ Agrl. Chemist has appointed Mr. B. Viswanath as Asst. on Rs 50-10-100. Mr. B. Viswanath was educated

(not put up)

Para 3 mp. 2 c.F.

in Chemistry in the laboratory of the ¹⁹alembic
Chemical works, Bombay and in the laboratory of the
Vijaynagar College. He got a first class in
the Technical Examination in ^{elementary} Chemistry and has
been appointed a fellow of the Chemical Society.
It is also reported that he has had practical
experience in the Chemical Examiner's office, Madras.
Mr. B. Viswanath has not, however, passed any
of the examinations mentioned in article I of
the Public Service Examination and is therefore
ineligible for ^{appointment to} this post of Asst. Asst. Chemist
which carries a pay of more than Rs 20 p.m. It
is to exempt him from the examination rules
the present application has been made by the
Dis. of Agre.

3 The question now to be considered
is whether bona fide efforts were made to without
success to obtain a passed candidate. The
post of the Asst. Chemist was advertised in the
For & George gazette & 12-9-11. Of those who
applied, one M.A. was considered suitable by the
Asst. Chemist and he was selected. But he never
took up the appointment. Others were found
ignorant of 'quantitative analysis.' On the
other hand Mr. Viswanath is stated to be well fitted
for the post and the Dis. considered that "the
practical experience that he has had makes
him a man well worth securing for the Dept."

Para 2 of Mr. P. 2 C.F

Please see Mr. Harrison's letter
in P. 6 of V.O. 2137 R
13.7.11

Page 5-10 C.F

The Board of Rev. supports the recommendation. The main object of splitting up the highly paid post into two cheap posts was to enable the Asst. Chemist to ~~do more analytical~~ ^{carry out more analytical} work. The candidates who applied for the post were found, it is reported, to be "totally ignorant of quantitative analysis." But from the testimony of Mr. Vidwanath who has now been selected by Mr. Harrison, it will be observed that he has a good record of service and he has an aptitude for research work. In the circumstances explained by the Director, it is submitted that this Dept. may recommend the exemption permanently of Mr. Vidwanath ~~and appointed for the post on R 50-20-100~~. The file may be forwarded to Ed. for issue of orders.

RR
16.2.12

Self
The man may be exempted I think
He should be a useful man for a pay
of R 50-10-100

2/ at the same time the fact ^{remains} that an apparently suitable man refused this post on the ground that the pay was too low. Should he have refused the post on R 50-20-100 abolished in G.O. 2137 Gen 13.7.11 partly on the ground that suitable men were not forthcoming? Of course Mr. Harrison might not have considered him worth R 50 p m tho' willing to give him R 50-10-100
16.2.12

14
W V. Viswanath is now 22, has had 5 yrs experience under various firms. I think we may support his exemption.

21.2.12

Edu. u.o.

Educational Department

A draft order is submitted for approval. The salary of the post, namely, Rs. 50-10-100 to which he is to be appointed need not, perhaps, be specified in the order.
