The Hon'ble Mr. Ramachandra Rao Pantulu.

Question 19. With reference to the ten years' programme called for by the Government of India for the development of female education, will the Government be pleased to consider the advisability of appointing a committee consisting of official and non-official members for the above purpose and to report thereon with such directions as may appear necessary?

[Meeting of 14th February 1912.]

The Government of India called for a ten years' programme for the development of female education in their letter No.914 Education dated 1st July 1911 and the D.P.I. was requested to draw up a comprehensive programme in memo No. 1635-1, dated 19th July 1911. The Director has not submitted it yet, although he was asked to submit it at an early date and has been frequently reminded of it. Five reminders in all have been sent, the last being on the 22nd December 1911.

2. The D.P.I. must have drawn up the programme by now ; there appears therefore to be little necessity for the appointment of a committee as suggested by the Hon'ble Legislative Council Member. However, if the Government consider it desirable, the programme drawn up by the D.P.I. may be - - referred to a committee and this may be decided on receipt of the programme.

3. It is suggested that the reply to the question may be ~~that~~ on receipt of the draft which the D.P.I. has been requested to submit to the Govt. for their consideration. On its receipt, Govt. will consider the advisability of appointing a committee to consider it. report on the development of female education.

20.1.12 The alternative is to say at once as Govt. will probably say eventually - "Govt. do not consider it necessary to appoint a special committee for this purpose."

been ready yet.
