Madras.

With reference to Government Order No. 705/Educational dated 6th October 1911, sanctioning a subsidy of Rs 6,000/ for constructing two elementary school buildings in this district, I have the honour to report that estimates have been framed as finally revised in consultation ~~of the officers~~ with the officers of the educational department for the construction of schools at Tirukkattuppalli and Kuthanallur. These are important -- stations in the district where large and pukka buildings are urgently needed, and where sites have already been acquired. The present strength of the schools is 165 and 150 pupils respectively. Spacious buildings are therefore quite necessary. The cost of construction in the case of Tirukkattuppalli is

estimated

estimated at ₹ 4,000/- and that in the case of Kuthanallur at ₹ 4,900. Every effort has been made to have estimates framed on the ₹ 3,000 basis sanctioned by Government but it does not appear possible to do this with due regard to the accommodation necessary and the cost of building which is high in this district. I have the honour to request that government will be pleased to consider whether an additional grant of ₹ 2,900/ can be sanctioned for the completion of these buildings this year, if not, at least next year. I am instructing the District Board Engineer to construct the buildings as now designed.

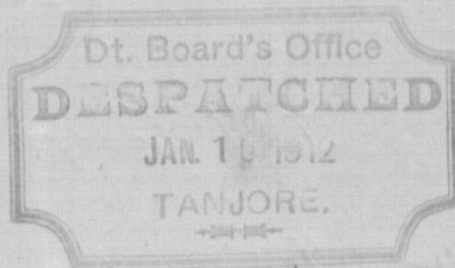

I have the honour to be,

Sir,

Your most obedient servant,

K. Srinivasan
for President.

SUBJECT

Application from the District Board of Tanjore for an addl. grant of Rs 2,900 from Prov. funds for the construction of elementary school buildings.

A further contribution of Rs 2,900 may be made from Provincial funds, if the District Board is unable to provide the amount from its own resources. The L & M Dept. may be requested to examine the financial condition of the Board and note whether the Board can meet the additional expenditure without any assistance from Govt. It may be paid next year if not this year.

The budget estimate of the Tanjore D. Board for 1912-13 as revised by Govt. closes with a balance of Rs 23,140 or Rs 34,70 in excess of the prescribed minimum of 5 per cent of the receipts under general funds. The provision for ^{also} communications for 1912-13 is Rs 11,432 in excess of the prescribed minimum ~~for communications~~. Submitted therefore that it will not be difficult for the Board to find Rs 2,900 in 1912-13 by a reappropriation, if it is decided that the

additional funds

funds required to supplement the Provincial grant for the construction of school buildings should be provided ~~by~~ from local funds.

Even if the amount be required in the current year itself, the Board can easily find the amount by reappropriation as ~~the~~ it is small.

ORDER. No. 217 dated 8. 11. 1912

The Govt. see no sufficient reason to sanction from Provincial funds an additional grant of Rs. 2900 for the completion of the elementary school buildings at Tirukkattupalli & Kutavallur in the Tanjore district. The St. Board of Tanjore should find the required amount from its own funds.
