For Director of Public Instruction

Public Works Department.

Note by the Chief Engineer, P.W.D., dated 29th Feb. 1912.

The Director of Public Instruction submits to Govern-
ment for a grant-in-aid a revised estimate amounting to
Rs.7,695 for constructing a building for the Milagres
Parochial School, Mangalore.

The original estimate sanctioned in G.O., No.596 of
28th August 1911 amounted to Rs.7,500.

The reason for the excess of the revised estimate
over the original estimate is explained in the comparative
statement and the difference in the amounts is due to:-

- (1) Extra foundations provided
- (2) Omission of cost for dismantling old building.
- (3) Omission of iron work for teak wood trusses etc.

The reasons given in the comparative statement may
be accepted.

The revised estimate amounting to Rs.7,695 is recom-
mended for sanction.

NOTE FILE.

C. No. 424 From the 509 No 624, dated 6-2-1912.

SUBJECT Alterations in the estimate for the construction of a building for the Milagris Parochial school mangalore.

M. In G.O. 596 Sol d. 28-8-11 the Govt. sanctioned a grant not exceeding one-third of the actual expenditure not exceeding Rs 2,500 towards the cost of constructing a building for the Milagris Parochial school, mangalore, in accordance with the plans and estimates approved by the Chief Engineer in his note read in that G.O.

2. The Correspondent of the school now requests that he may be permitted to make certain deviations in the estimate. The plan is unaffected. Sir George Forbes in his note d. 18-3-09 on page 3 of notes to G.O. 207 Sol K d. 5-4-09 remarked that "we do not force private persons to proceed on P.W.D. figures" and that "we are concerned only with the plans". So long as the plans remain unaltered no objection need perhaps be raised to alterations in the estimate. The revised estimate is Rs 195 in excess of the original estimate but the authorities of the school do not apply for an additional grant on this account.
