Subject.- Increasing the grant of 19.18 lakhs for sanitation by 2.50 lakhs.

then discuss the question of model schools and if any attempt is made to discuss it, Your Excellency can rule it out of order. But at the same time, the Council would be given an opportunity of discussing the proposal to increase the grant for sanitary work.

Mr. Govindaraghava Aiyar wants the 1½ lakhs for model high schools for grants-in-aid to Secondary schools. Now Mr. Seshagiri Aiyar wants it along with allotments from other sources for sanitation.

It may perhaps be admitted. The L.C.M. is doubtless unaware that every single application received by Government for a sanitary grant has been complied with in full and that over and above this the Government of India have inserted another 8 lakhs for sanitation, about which they have promised to communicate with us further.

Resolution Nos. 3, 4, 5 and 6 by the Hon'ble Mr. Seshagiri Aiyar.

Resolution 3 is inadmissible under rule 12(c) as the matter is the subject of discussion between the local Government and the Governor General in Council and the Secretary of State. I understand from Mr. Davidson that it would be very inconvenient to discuss this question of the model schools and that Your Excellency cannot be recommended to sanction the admission of the Resolution. It may, however, be proposed to Mr. Seshagiri Aiyar to take his Resolution 6 as the substantive resolution and to take the substance of 3, 4, and 5 as supplementary to that Resolution for the purpose of indicating the sources from which the funds required by him for a supplementary grant to District Boards and Municipalities for minor sanitary works. But at the same time, the Council would be given an opportunity of discussing the proposal to increase the ~~the~~ grant for minor sanitary ~~xxxxxx~~ objects. It may be explained to Mr. Seshagiri Aiyar that it is only on condition that he combines the four resolutions that Resolution 6 can be admitted for if 3 be ruled out, 6 will be inadmissible since there will be no provision of a sufficient amount to counterbalance the proposed grant. There are, however, no objections to Resolutions 4 and 5 as they stand, and if Mr. Seshagiri Aiyar is unwilling to accept the proposal to combine his four Resolutions, he may be told that 3 and 6 cannot be admitted but that 4 and 5 are admitted. It will be a great economy of the Council's time if the four are combined..

Subject - Increasing the grant of Rs. 18 lakhs for sanitation by Rs. 30 lakhs.

Mr. Govindaraya Aiyar wants the Rs. 18 lakhs for model high schools for grants-in-aid to Secondary schools. Now Mr. Seshagiri Aiyar wants it along with allocations from other sources for sanitation. It may perhaps be admitted. The L.C.M. is doubtless unaware that every single application received by Government for a sanitary grant has been complied with in full and that over and above this the Government of India have inserted another 8 lakhs for sanitation, about which they have promised to communicate with us further.

Resolution Nos. 3, 4, 5 and 6 by the Hon'ble Mr. Seshagiri Aiyar.

Resolution 3 is inadmissible under rule 12(c) as the matter is the subject of discussion between the local Government and the Governor General in Council and the Secretary of State. I understand from Mr. Davidson that it would be very inconvenient to discuss this question of the model schools and that Your Excellency cannot be recommended to sanction the admission of the resolution. It may, however, be proposed to Mr. Seshagiri Aiyar to take his Resolution 6 as the representative resolution and to take the substance of 3, 4, and 5 as supplementary to that resolution for the purpose of indicating the sources from which the funds required by him for a supplementary grant to District Boards and Municipalities for minor sanitary works. But at the same time, the Council would be given an opportunity of discussing the proposal to increase the grant for minor technical schools. It may be explained to Mr. Bhatnagar that it is only on condition that he combines the four resolutions that resolution 6 can be admitted for it is ruled out, it will be inadmissible since there will be no provision of a sufficient amount to compensate the proposed grant. There are, however, no objections to resolutions 4 and 5 as they stand, and it is suggested that Mr. Bhatnagar is willing to accept the proposal to combine his four resolutions, he may be told that 4 and 5 cannot be admitted but that 4 and 5 are admitted.
