I have the honour to submit the following case for the orders of Government.

2. M. R. Rajagopalan, 4th Assistant, Model School, attached to the Government Training School, Ranipettai, on Rs. 12-15, was appointed a clerk in the Abstraction and Compilation office from 19th February 1911. As he continued nearly 11 months (from 1st April 1910 to 17th February 1911) in his permanent appointment during 1910-11, he was allowed the

the usual increment of one rupee from 1st April 1911 the Inspector of Schools 5th Circle, in his order No T/11, dated 14th July 1911. The Accountant General whom an alteration memorandum was sent to give effect the above order, states that Government sanction is necessary to allow the period of deputation to count increments in the substantive appointment.

In view of the fact that the clerk remained in permanent post during the greater part of the year, and in view of the satisfactory work turned out by him in office, I recommend that Government may be pleased to sanction the increment allowed by the Inspector of Schools 5th Circle.

I have the honour to be,

Sir,

Your most obedient servant

Yes, let I think that candidates for such temporary appointments who held posts on an incremental scale should be awarded that the service will not count towards increments.

The pay of Rajagopalan as 4th Assistant of the Govt. Training School, Ranipettai, is Rs 12-15. He was to get Rs 13 from 1st April 1911. But as he was away in the Census office from 19th February 1911 the A.G. contends that he cannot be given the increment of Re 1 on 1-4-11.

2. The Supdt. of Census may be requested, by telephone to state how long Rajagopalan was a clerk in the Census office and what his pay was while he was employed in that office so as to enable Govt. to see the actual basis for Rajagopalan's employment on Census and the following telephonic message is for approval.

There is reference does not seem necessary with reference to the terms of para 1 of the Supplement to C.R. under Article 160. It cannot be said that duty in the Census Office in any way contributed to the acquisition of additional experience for which the incremental pay of the teacher was granted. The proposal of the Census Dept seems to be inadmissible & may be rejected.
