Memorandum No. 292-1, Educational, dated 16th February 1912.

The Director of Public Instruction is informed that on the recommendation of the Finance Committee the Government have provisionally made the following additional allotments on account of education in the budget estimates for 1912-13 :—

As provision in the budget is no authority to incur expenditure, administrative sanction to the proposed items of expenditure should be obtained in sufficient time to admit of the allotments being fully utilized in the ensuing year. The Director of Public Instruction is specially requested to see that proposals for the distribution of the allotment of Rs. 1,15,000 for elementary school buildings and their equipment are submitted to Government at the earliest practicable date so as to enable the local bodies concerned to begin building operations sooner than was possible during the current year.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 8th March 1912.

No.—Cur. 1915.

With reference to Government Memorandum No. 292-1, Educational, dated 16th February 1912, in regard to the special allotment of Rs. 1 lakh for 1912-13 for European schools for buildings and equipment, I have the honour to state that special building grants at two-thirds rate already sanctioned by Government and the Director during the current year amount to nearly Rs. 48,500. The special provision in this year's budget to meet the above grants is Rs. 25,000, and efforts are being made to utilize the whole of this allotment by payment of advances on production of certificates showing the actual expenditure incurred on the buildings including the cost of materials *in situ*. If the whole of the allotment is utilized, the balance, viz., Rs. 23,500 out of the grants mentioned above has to be paid in the next year if all the buildings are completed. Further, the question of a special building grant to St. Patrick's Orphanage, Adyar, is now under correspondence, and a grant of about Rs. 22,000 will probably be required for it. The total amount required will thus be about Rs. 23,500 *plus* Rs. 22,000 = Rs. 45,500, which will have to be met from Rs. 1 lakh. A balance of Rs. 54,500 will then be available for special grants to European schools for equipment, and I propose to call for proposals from the Inspector of European and Training schools and the Inspectresses informing them that it is expected that there will be a sum of about Rs. 50,000 available for special grants free of contribution for furniture, apparatus and appliances to European schools, and that the actual procedure to be adopted in regard to the applications and the payment of the grants will be settled on receipt of the general approval of Government to the course proposed.

Order—No. 278, Educational, dated 26th March 1912.

The proposals submitted by the Director of Public Instruction for the distribution of the allotment of one lakh for special grant to European schools for building and equipment are provisionally approved.
