ABSTRACT.—Recording papers relating to the telegram from the Government of India requesting to be informed whether this Government could spend any sum not exceeding one lakh annually for the improvement of aided secondary education.

Letter—from the Hon'ble Mr. H. SHARP, C.I.E., Joint Secretary to the Government of India, Department of Education (Education).
To—the Secretary to the Government of Madras, Educational Department.
Dated—Calcutta, the 14th March 1912.
No.—598.

I am directed to inform you that the Government of India have decided to make a recurring grant of Rs. 80,000 to the Government of Madras for the improvement of secondary aided English schools. The Government of India leave it to the discretion of local Governments to distribute the grant subject to the condition that the grant is expended on the improvement but not on the multiplication of privately managed secondary English schools and largely on the raising of salaries of teachers in those institutions.

2. I am to ask that allusion may be made to the amount, manner and result of this expenditure in the annual reports.

3. No provision has been made in the Provincial budget estimate for 1912-13 for this grant. But an assignment from Imperial to Provincial will be made through the Land Revenue head after the 1st April 1912 and any necessary addition to the budget grant will be sanctioned during the course of the year.

Order—No. 293, Educational, dated 4th April 1912.

The letter from the Government of India sanctioning a recurring grant of Rs. 80,000 for the improvement of secondary aided English schools will be communicated to the Director of Public Instruction for information and guidance.

2. The Director will be requested to comply with the wishes of the Government of India expressed in paragraph 2 of the letter and to report whether he would require the whole of the grant for expenditure during 1912-13 and generally how he proposes to utilize the grant.

[I do not know if I am right in assuming that discretionary power may be left in the Director's hands. It is difficult to make a sum like this + a proposal for utilization of the grant is not seen necessary]

And generally how he proposes to utilize the grant.
