I

Letter from G.F.Paddison Esq., M.A., I.C.S., Collector of Anantapur,
Dated 11th January 1912

No. Ref. Gl. C. 65/1912

P.Sanjiva Rao, Draftsman of the Land Records Tahsildar's office, Anantapur, was transferred here from No. III Survey Party by the Director of Survey in his letter Dis. No. 125 of 1911, dated 24th January 1911. He joined duty under the Land Records Tahsildar in February 1911, and since then he has been working on probation. He is now 37 years of age and is qualified to serve in the Land Records Department by having passed the Revenue Draftsman's test

in the year 1909 (Vide page 373 to Part I-B of the Fort Saint George Gazette, dated 20th July 1909).

From the temporary Service Register herewith enclosed, it will be observed that he entered the Survey Department in his 24th year though his service in that department has been throughout temporary.

I have now confirmed him in his present appointment as draftsman of the Land Records Tahsildar's office subject to the exemption from age bar and request that the Board will be pleased to approve of my action and exempt him from the age bar rules.

II

Reference from the Board of Revenue, Revenue Settlement,
Dated 5th February 1912,
No.264.

The lists published at pages 373 and 374 of Part I-B of the Fort Saint George Gazette, dated 20th July 1909, show that P.Sanjiva Rao is qualified to serve only in the offices of the Director of Land Records and Land Records Superintendents. The Collector is therefore requested to report the circumstances under which this candidate was confirmed as a draftsman in the Land Records Tahsildar's office.

III.

Letter from C.F.Paddison Esq., M.A.I.C.S., Collector of Anantapur,
Dated 8th March 1912,
No.R.Gl.C.No.65/1912.

In reply to Board's Reference No.264, dated 5th February 1912, calling on me to report the circumstance in which P.Sanjiva Rao was confirmed as a draftsman in the Land Records Tahsildar's office, I have the honour to state as follows:-

2. The draftsman's place under the Land Records Tahsildar having fallen permanently vacant in November 1910, the Director of Survey was requested in this office letter R.Gl.C.No.3275 of 1910, dated 14th December 1910, for a qualified hand to serve as a draftsman. The present draftsman was accordingly deputed by him and I therefore

thought that except that he was beyond the limit of age, he was otherwise qualified for the place. I now understand that Sanjiva Rao has passed also the field and Deputy Surveyor's test of the Survey Department—vide lists published on pages 533 and 572 of Part I-B of the Fort Saint George Gazette, dated 10th November 1908 and 24th November 1908 respectively.

I have the honour therefore to request that he may be exempted from the necessary educational qualifications in addition to age, as he has been found competent during the probationary period and as he has passed also a separate examination in survey.

Reference thereon No.751, dated 4th April 1912.

Submitted for the orders of Government.

2. In the circumstances reported by the Collector, the Board recommends that P.Sanjiva Rao may be exempted permanently from qualifying in process No.12 of the Revenue draftsman's test.

REVENUE DEPARTMENT.

NOTES.

Exemption of Sanjiva Rao from passing ⁴ REVENUE DEPARTMENT.
process No. 12 of the Rev. Draftsman's test

C. No. 967 E, From the Board (Rev. R.S.), ^{neg} No. 751, dated 4-4-1912.

Do Under Seal.

The Board of Rev. ~~Sanjiva Rao~~ recommends that one P. Sanjiva Rao, a Draftsman, hand Records Tahsildar's office, Mantapur, may be exempted permanently from qualifying in process No. 12 of the Revenue Draftsman's test.

2. In accordance with the orders at present in force, the clerks ^{and Draftsmen} employed in the offices of the Director of Land Records, and the Supt. of Land Records and Land Records Tahsildars have to pass a departmental test known as Revenue Draftsman's Test; but a general exemption has been granted in the case of the men employed in the first two offices mentioned above from passing the 12th Subject in the test as a knowledge in that is not quite essential for service in those offices. For employment in the Land Records Tahsildar's office a pass in the full test is required. Sanjiva Rao, for whom exemption is now recommended, was previously employed in the No. 11 Survey Party and has ~~passed~~ ^{passed} the first 11 Subjects of the Rev. Draftsman's Test. He is therefore qualified to serve only in the offices of the Director of Land Records and Land Records Supt. The collector of Mantapur has, however, confirmed him as a Draftsman in the Land Records Tahsildar's office, for service wherein

he is not qualified. The collector reports that Sanjiva Rao was found competent ~~in~~ during his probationary period in his new post and has also passed Field and Deputy Surveyors' Test of the Survey Dept and a separate examination in Survey and requests that he may be exempted from the necessary educational qualifications. The Board of Res. recommends the proposal. Thought it does not appear that any attempt was made by the collector to secure a duly qualified man for the post in question, yet in view of the fact that Sanjiva Rao is reported on well, the recommendation of the Board may be supported by this Dept and the file sent to Sec for issue of necessary order.

15.4.12

To Lunda Sam.

The subjects provided to the Field & Deputy Surveyors' tests

will be found on pages 466-467 of the
Survey Manual. ~~The process of field~~
~~surveying is not a mechanical process~~
~~and is not included in the office process of~~
~~preparing village, taluk & district maps.~~

Preparation of village, taluk & district
maps is not included among the subjects.
Field & Dy Surveyors can & are expected
to prepare only field maps. Village maps
are prepared (plotted) in the ^{and} offices of
the Survey Parties by Draftsmen; and Taluk
& District maps in the Central Survey Office -
pp 192-208 of the Survey Manual. The process
of preparing field maps is quite distinct
from the ^{complicated} processes involved in the preparation
of village, Taluk & District maps.

Rule 19 P. 33 of Survey Manual
& rules 21 & 32 on P. 128
& rule 71 on P. 131 of the
Manual.
pp 35-38 of the Manual
p. 413

Process 12 consists
in the mere mechanical
tracing & inking
