Abstract.

Resolution III.

Indian Industrial Conference.

Recording resolutions passed at the Seventh

Session of the ----- held at Calcutta 1911.

Expressing its appreciation and thankfulness to the Government for the liberal action taken and contemplated in regard to Technical Education, this Conference once more records its firm conviction that for speeding the cause of industrial progress on a firm basis, it is most desirable that the Government should establish in the country, at least one fully equipped College for imparting the highest kind of instruction in the applied sciences and industrial arts and further urge that the

Resolution III.
Technical Education.

While expressing its appreciation and thankfulness to the Government for the liberal action taken and contemplated, in regard to Technical Education, this Conference once more records its firm conviction that for placing the cause of industrial progress on a firm basis, it is most necessary that the Government should establish in the country at least one fully equipped Polytechnic College for imparting the highest kind of instruction in the applied sciences and industrial arts and further urges that the visit of Their Imperial Majesties the King-Emperor and the Queen-Empress should be commemorated by the foundation of such an institution bearing their names.

NOTE FILE.

C. No. 1128 From the Public Dept.

No. 428, dated 3-4-1912.

SUBJECT.

Resolutions passed by the Indian
Industrial Conference, Calcutta, 1911.

Q The receipt of the resolutions has been
acknowledged in the Public Dept. - vide
letter no. 678-1 dated 12-2-12 - and the
current also has been recorded. Resolution
no. III which has been forwarded to this
Dept. relates to the establishment of a
Polytechnic College in India. This is a
question for the consideration of the Govt. of India.

2. In this Presidency, the College of Eng-
is to be developed so as to embrace a wider
range of instruction in technicological subjects
having their basis in mathematics and physics,
O - [vide G.O. no. 15 Edl D. 11-1-09] - and Technical
institutes for special trades, such as a Dyeing
school, a Leather trade school, and a weaving
school are to be opened. - Proposals for the opening
of a Leather trade school in Madras and a weaving
school in Madura are under consideration and a
Dyeing expert is giving practical ^{demonstration} ~~instruction~~ in
dyeing in Madura.

3. In these circumstances no action is called
for on the resolution above referred to and it may

he recorded. A draft is submitted for approval.

T.H.
30.4.12 The Tata Institute at Bangalore combined with the Engineering College as proposed to be developed will provide, it is submitted, ~~enough~~ instruction in technological subjects sufficient for the present ^{in this country}. Please compare the Honble Mr. Davidson's remarks at the meeting of the Legislative Council of the 3rd April 1912.
