STATEMENT OF THE OBJECT, AND AN APPEAL ON BEHALF OF THE CIVIL ORPHAN ASYLUMS.

THE MADRAS CIVIL ORPHAN ASYLUMS were founded one hundred and five years ago for the gratuitous education, board and lodging of the orphans of Europeans and their descendants, who are not eligible for admission into the Military Asylums in the Presidency. They have thus stood the test of time, and continue to retain public confidence.

It is no easy task to feed, clothe and educate one hundred and eighty orphans. It is a still more difficult matter to successfully launch out in life these children, educated up to the Middle School Standard, to make their way through the ever-increasing crowd of better educated competitors.

The necessity, character and scope of the work done in these Institutions are well known to the general public in Madras, and the help received is practically confined to the residents in this City. But all orphans throughout the Presidency are eligible for admission. This fact, it may be assumed, is generally known throughout the Mofussil, from the applications which are made from various stations for the admission of orphans; but the Directors regret that the claim *resulting from this fact*, upon persons residing in the Mofussil, for some contribution towards the support of these Institutions, does not appear to be so generally recognized.

These Institutions are managed in an admirable manner by a particularly strong Directorate, who are elected by the subscribers.

The Bishop of the Diocese is the President, the Archdeacon and Garrison Chaplain are the Vice-Presidents, and the rest of the Clergy of the Church of England are *ex-officio* Patrons of these Institutions. Though the religious instruction imparted here is in accordance with the tenets of the Church of England, destitute orphans of all denominations are admitted.

The Directors, therefore, earnestly request the *Clergy in the Presidency and Mofussil*, either to make regular periodical collections in their Churches on behalf of the Asylums, or else to circulate this appeal, together with the accompanying report, among the European and Eurasian residents at their stations, who are particularly invited to come forward and contribute, according to their means, towards the support of Institutions which provide such efficient relief for the destitute and distressed members of their own community.

REPORT

OF THE

Madras Civil Orphan Asylums

AND

St. MARY'S CHURCH CHARITY SCHOOL FOR 1911.

The Directorate has the pleasure of placing before the subscribers and friends of these Institutions a brief report on their working during the year 1911.

The boys and girls continued to be taught together. For educational purposes they form one school, but as the management of each school is independent of the other, the report deals with each branch separately.

The following changes occurred in the Directorate:—

Captain A. W. Lynsdale, I.S.M.D., Mr. E. J. Smaller and the Rev. B. M. Morton accepted office.

Mr. H. J. Stanley served as M. & S. M. Railway Director till his transfer to Hubli, when Capt. C. L. Magniac, R.E., was nominated by the Agent and took his seat.

Lieut.-Col. J. L. vanGeyzel, I.M.S., Government Director, having retired from the Service, the Hon'ble Mr. C. R. M. Schmidt was appointed by Government.

Mr. W. D. St. Leger, Honorary Secretary, on his return from England, took over charge of his Office on the 18th April from Mr. E. V. Beeby, who was acting.

Finance.

The Receipts during the year, inclusive of Rs. 323 brought forward, amounted to Rs. 42,179, and the expenditure to Rs. 39,171, leaving a balance at the close of the year of Rs. 3,008.

The average number of children maintained during the year was 186, and the cost per head per mensem Rs. 17-9-6.

A comparative statement of receipts and expenditure for the past three years is given below:—

Total Rs.	39,171	39,193	39,136

The Government Grants received during the year under report include a sum of Rs. 4,512—boarding grant 1910-11—due in 1910 but not paid to the Asylums till early in 1911. The income under the head of interest shows a decline, as the interest for the latter half of the year from Woolley's bequest and certain funds vested in the Collector of Madras were not received within the year, owing probably to press of work in all Government departments towards the close of the year.

There is no notable variation in the several items of expenditure. With strict supervision over the expenses, the cost of maintenance is kept down to the minimum consistent with efficiency and due regard for the welfare of the children.

Mr. W. A. Ritchie joined as 2nd Asst. Master on 4th August 1910 and resigned on 30th September 1911. He was succeeded by Mr. R. J. Jordan, who joined on 1st October 1911.

APPENDIX A.

The Garrison Chaplain's Report.

The Garrison Chaplain's report falls under two headings as he occupies both an Official and a non-official or honorary position in connection with the schools. By G.O. No. 252 of the 26th August 1871, the Garrison Chaplain is appointed in "Spiritual charge of the amalgamated Institutions," and also by the Rules of the Institution, the Garrison Chaplain is "requested to undertake the supervision of the education and the moral and school discipline of the children"—a request which the Garrison Chaplains have, I believe, in the past always granted and have given their services as a labour of love.

Services in Chapel on Sundays and Religious Instruction during the week have been carried on as usual. Holy Communion is celebrated on the first Sunday of every month.

During the year, Mr. W. Chamier, who is a licensed Reader and Preacher of the Diocese, has most kindly taken Sunday afternoon services in the Chapel, which have been very much appreciated by the children.

Major H. Guise, who has been touring throughout India on behalf of the Children's Scripture Union, has visited the school

several times and has inaugurated branches of the Scripture Union. I hope the Members will all keep loyally the rules of the Union and read their portions of Scripture regularly.

Twenty-nine children were prepared and presented to the Bishop for Confirmation. Twenty-one passed the Diocesan Prayer Book Examination.

EDUCATIONAL REPORT.

One change in the teaching staff of the Male Asylum has taken place during the year, *viz.*, Mr. R. Jordan in place of Mr. W. A. Ritchie, and I trust that Mr. Jordan's greater experience may soon tell in the school.

In the Female Asylum four assistant teachers have left and four have joined. Although the salaries of seven of the staff have been increased, the difficulty of obtaining a permanent staff of mistresses still remains, and the continual changes have a very deleterious effect on the school work, and I have to now greatly deplore the leaving of the Headmistress, Mrs. Knight. She has done splendid work for the school, and under her care the tone and discipline of the school have much improved and much greater content has prevailed.

I am glad to report that the Band, after an eclipse of some years, has again appeared and under Mr. Moore's training is showing signs of proficiency.

Hockey and Football continue to be played, but the boys are handicapped by lack of gear.

T. Deane won the $\frac{1}{4}$ mile open to senior boys in the Anglo-Indian Association Sports.

The annual visit by the Inspector of Schools took place on November 30th and December 1st, 1911. His report has not yet been received, but we confidently hope for a more favourable one than last year, as we have endeavoured to carry out the suggestions made in last year's Report.

The results of the yearly school examination show some improvement but the average marks show a low standard, *viz.*, 44 %. This may be due to (1) Changes in staff, (2) Inefficient teaching, (3) Lack of mental capacity in the scholars. Still we are thankful for the improvement as shown by the number of promotions this year as compared with last :—

	<i>No. examined.</i>	<i>Passed.</i>	<i>Not Promoted.</i>
1910.....	188.....	67.....	121
1911.....	190.....	119.....	71

I am glad to report that Helen Shaw has been awarded an open scholarship in Bishop Corrie's High School and that Muriel Hughes has proceeded to Doveton College to continue her studies.

The moral tone and discipline of the school have perceptibly risen, but much remains to be done. The influence of the elder boys for good we may attribute to some extent at least to the introduction of the Scout movement, "a Scout's honour is to be trusted." As a result of this and other efforts, backed up most loyally and effectively by our excellent Headmaster, there have been of late no instances of copying, bullying, smoking or lying, a most marked change from last year, as the punishment roll shows, and for which I am most thankful.

With a view to making the Institution more useful in after life, Typewriting and Shorthand lessons are, with the approval of the Inspector, to be introduced, and we also hope, in accordance with Her Excellency Lady Carmichael's suggestion, on her kind visit to the school, to have a course of training for the elder girls in Hygiene, Nursing and "First aid."

I will conclude by thanking the Headmaster and Head Mistress and the Staff for their excellent work during the year.

R. H. WELCHMAN, M.A.

Garrison Chaplain.

APPENDIX B.

Annual Medical Report of the Civil Orphan Asylums,
Madras, for the year 1911.

I.—GENERAL HEALTH.

There were 206 admissions into Hospital against 476 in 1910, and 329 in 1909. The difference is due to the prevalence of "Mumps" and "Measles" in 1910 and the large admissions under "Skin diseases" and "Fevers" in 1909. Except for a few very mild modified cases of "Small-pox" about the end of the year under review, the general health was exceptionally good. There were no In-patients on 64 days out of the 365. The number of Skin diseases and Ulcers treated was lower than on previous occasions. Four cases were sent to the General Hospital, one to the Government Ophthalmic Hospital, and fourteen to the Isolation Hospital, Kristnampet. Of the cases sent to the General Hospital, one was a case of Enteric, which proved fatal. The drainage and sanitary condition of the surroundings have, in the opinion of the Civil Apothecary, been much improved since my last report.

II.—DEATHS.

One death from Enteric, complicated with Meningitis, in the General Hospital of a girl pupil.

III.—DIET.

No changes were introduced into the Diet Scale.

IV.—CONSERVANCY AND BATHING.

Conservancy under the contract system continues to work well. The arrangements for bathing are satisfactory.

V.—EPIDEMICS.

A very mild form of Eruptive fever broke out toward the end of the year. Fourteen cases were sent to the Isolation Hospital, Kristnampet.

VI.—HOSPITAL BUILDINGS.

The sheds have been repaired and put in order.

VII.—COST OF MEDICINES.

Rs. 127-6-3 as compared with Rs. 130-10-4 in 1910.

VIII.—STAFF.

Major R. H. Elliot, I.M.S., has been in medical charge, Major H. Kirkpatrick acting for six months during his absence from 8th May to 7th November 1911.

Mr. Velloms, who succeeded Mr. Dunlop in May 1910, was in subordinate charge throughout the year.

Nurse Willoughby, who joined on the 16th November 1911, continued as nurse during the year.

IX.—GENERAL REMARKS.

All serious cases are, as a rule, sent to the Presidency State Hospitals and the Directorate owes its thanks to the Medical Officers of those Institutions for the ready help they have invariably rendered.

The ladies continue to take a kindly interest in the children, when in Hospital, and provide them with books and toys.

Mr. Velloms and his staff have worked excellently throughout the year.

Medical Officer.
