In continuation of my letter no. 784, dated

the 9th June 1911, and with reference to your letter

no. 570, dated the 15th August 1911,

I am directed to address you regarding portraits of Their
Majesties. The portrait of the King-Emperor sent with
this letter is supplied by the Army and Navy Co-operative
Society, Limited, in large quantities, at -/4/- a copy.
It is hoped (but this is not certain) that a portrait with
margin two inches larger each way may be supplied at the
same price.

2. Portraits of the Queen have also been prepared, and,
according to the total number ordered, will probably be
available at -/4/-, -/5/- or -/6/-.

3. It is thought that schools might very well avail
themselves of these excellent portraits. The Government
of India cannot hold out hopes of assisting provincial
Governments in their purchase. But I am to suggest that,
with the permission of His Excellency the Governor in Council,

the Government of India may be informed :-

(a) whether the portrait of the King-Emperor is approved.

(b) If so, how many copies of the portraits of the King and the Queen, respectively, the Government of Madras

would be prepared to order from the Army and Navy Co-operative Society, Limited.

(c) In case the Government of India find themselves in a position to render any financial assistance, how many more of each portrait will be required.

The information under (b), if collected and transmitted to the Army and Navy Co-operative Society, Limited, would be likely to result in lowering the price of the portrait of the Queen.

In continuation of my letter no. 18-31-C.D., dated the 6th December 1911, I am directed to say that, in case the Governor in Council considers that high schools and colleges should be furnished with a better class of portraits of Their Majesties the King-Emperor and the Queen-Empress than those referred to in the letter cited above, the Army and Navy Co-operative Society are offering for sale (unframed) larger pictures of Their Imperial Majesties at Rs. 38-12-0 each up to 100 copies and at Rs. 22-8-0 each for a larger supply. These pictures measure roughly, with margin, 48" x 36" and appear to be suitable for such schools and colleges.

and enquire whether ^{approve the portrait of the King Emperor &} this Govt. require any ^{of the King & the Queen} copies of the portraits for schools and Colleges and if so, how many. The D.P.I. to whom the letter was referred states that in view of the proposal to distribute among educational institutions the surplus copies of the portraits purchased for the coronation celebration there is no need for the portraits referred to by the Govt. of India.

2. For the coronation celebration two kinds of portraits were obtained. one kind was coloured & this was obtained from the Times of India office. This portrait measures 17" by 22" and of this 390 copies are to be sent to the D.P.I. for distribution. The other which is apparently the same as the one received from India ^{kind} was not coloured and was obtained from the Army & Navy Cooperative Stores. Of this 600 copies are to be sent to the D.P.I. Its size is 20" by 15". These two kinds of portraits are much smaller than the one referred to by the Govt of India in their letter of 19.1.12 which measures 48" x 36".

3. It is for consideration whether a few copies of the larger portraits referred to by the Govt of I. may not be purchased and supplied to the Govt Colleges and high schools in this Presidency. It would be

As to Colleges & ^{Govt. & non-Govt.} Schools, we have not many govt institutions of this kind & I am inclined to think that A.30.12. would be well laid out in getting a picture of the King to hang in the College or school library - I saw very good pictures at the William College hung up - Perhaps our Colleges & schools too - I don't know & their papers do not show.
