To The Secretary to the Government of Madras,

Sir,

I have the honour to request that the sanction of Government may under the following circumstances be obtained for the expenditure of Rs 486-11-4 incurred by me on account of the undermentioned articles of Stationery which were required for use mainly in connection with the Government Technical Examinations held in November 1911.

For the April and November Technical Examinations, Examiners every year prescribe special paper to be supplied to candidates in certain subjects with reference to the nature of the questions set. It has been usual to purchase locally the special paper required and the charges thus incurred by me have been admitted by the Accountant-General year after year. The different kinds of special paper required for examination purposes

purposes in the Mofussil have been usually sent out of the articles purchased by me at Madras. This course of purchasing the articles at one central place has been adopted in the interests of economy and in view also to securing uniformity in the quality of the articles; further the articles are not available at a large number of centres in the Mofussil. Under G. O. No. 168, Educational, dated V. 20th March 1897, Superintendents of Examinations are authorized to purchase locally the stationery required for use at the examinations. The charges would have been admitted under this G. O. if the purchase had been made locally by Superintendents at the various centres. When bills were presented for payment this year, the Accountant-General held that the purchase of the articles by me was not covered by the G. O. quoted above and stated that the sanction of Government should be obtained to enable him to admit the charge.

2. The Superintendent of Stationery whom

whom I asked for a supply of the articles of Stationery usually purchased by me as mentioned in para 1, states that some of the articles are not stocked by him and others that are in stock cannot be supplied to me and adds that the sanction of Government should be obtained to enable him to stock and supply them. I accordingly request that Government will be pleased to authorize the Superintendent of Stationery to supply the following articles to me making arrangements for stocking such of them as are not at present stocked by him.
