GOVERNMENT OF MADRAS.
EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Reference from the Board of Revenue (R.S., Sur., L.R. and Agri.),
No. 803, dated 15th April 1912.

Read—the following papers :—

(i)

Proceedings—of the Board of Revenue (Revenue Settlement, Survey, Land Records and Agriculture).
No.—Mis. 7654.
Dated—the 22nd December 1906.

ABSTRACT.—Communicating to the Collector of Vizagapatam memorandum from the Chief Engineer for Irrigation considering that, as a rule, a Minor Irrigation sub-overseer should have passed as a sub-overseer of the Madras Civil Engineering College, or a test equal to it.

(ii)

Letter—from J. H. ROBERTSON, Esq., I.C.S., Collector of Bellary.
To—the Secretary to the Commissioner of Revenue Settlement, Survey, Land Records and Agriculture.
Dated—the 9th February 1912.
No.—Ref. on C. 4686.

I have the honour to enquire whether persons who have passed the Sub-Overseer's test of the Government Engineering College, Poona, are qualified for the post of Minor Irrigation sub-overseers in this Presidency.

2. In the Public Service notification no mention is made of the Sub-Overseer's test of the Engineering College, Poona, and Board's Proceedings, Mis. No. 7654, dated 22nd December 1906, lays down that, as a general rule, a Minor Irrigation sub-overseer should have passed as a sub-overseer of the Madras Civil Engineering College, or a test equal to it, but it has not been decided what tests are equal to it. Under article 122-C of the Local Fund Code, persons who have passed the Sub-Overseer's test of the Engineering College, Poona, are qualified for the post of Local Fund sub-overseers, and there does not seem any reason why the same rule should not apply to Minor Irrigation sub-overseers. As the question is of general importance, I request the favour of definite orders on the point.

3. Much difficulty has been felt in getting qualified hands for the post of Minor Irrigation sub-overseers in this district though the vacancies have been several times advertized in the *Fort St. George Gazette*. K. Kesava Rao who has passed the Sub-Overseer's test of the Engineering College, Poona, having applied for one of the vacancies, I have appointed him subject to the Board's decision on the point raised in paragraph 2 above.

Reference thereon—No. 803, dated 15th April 1912.

Submitted for the orders of Government in the Educational Department.

2. The reference in the penultimate sentence of paragraph 2 of the Collector's letter is evidently to the notification issued under G.O. No. 969 L., dated 15th August 1906. The Board sees no objection to a corresponding rule being observed in regard to employes on the Minor Irrigation staff.

S. SWAMINATHA AIYAR.
Acting Secretary.

To the Secretary to Government, Educational Department,
(through the Revenue Department).

Order—No. 439, Educational, dated 21st May 1912.

His Excellency the Governor in Council directs that persons who hold certificates as lower subordinates of the College of Engineering, Roorkee, or as sub-overseers of the College of Engineering, Sibpur or Poona, should also be deemed qualified for appointment as Minor Irrigation sub-overseers. The following notification which embodies the necessary amendments to the Public Service notification will be published in the *Fort St. George Gazette* :—

Revenue Department" the following shall be inserted between the words "College of Engineering" and "will also be deemed, etc." occurring in the second sentence :—

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O. No. 439, EDUCATIONAL, DATED
21st MAY 1912.

[SUBJECT.—*Regarding the qualifications of Minor Irrigation sub-overseers.*]

From the Board of Revenue, Revenue Settlement, etc., dated 15th April 1912, No. 803.

Please see item (19) under "C. Revenue Department" on page 5 of the Public Service Notification for the qualifications of Minor Irrigation sub-overseers. In the remarks column against that item it is stated that "persons who have passed the examinations prescribed for the old Sub-overseer and Surveyor class, College of Engineering, will also be deemed qualified for appointment as Minor Irrigation sub-overseers." The Collector of Bellary enquires whether persons who have passed the sub-overseer's test of the Government Engineering College, Poona, are qualified for the post of Minor Irrigation sub-overseers in this presidency.

2. The Collector's query may, it is submitted, be answered in the affirmative—please see the opinion of the Principal of the College of Engineering which was agreed to by the Director of Public Instruction on page 10 of G.O. No. 969 L., dated 15th August 1906. The Board of Revenue in forwarding the Collector's letter to Government observes that it sees no objection to a rule corresponding to that contained in G.O. No. 969 L., dated 15th August 1906, being observed in regard to the employes on the Minor Irrigation staff. In other words, the Board's opinion is that

There seems to be no need at present to introduce similar change in the qualification for minor irrigation Overseers.

C. R.

persons who hold certificates as lower subordinates of the College of Engineering, Roorki, or as sub-overseers of the College of Engineering, Sibpur or Poona, may also be deemed qualified as Minor Irrigation sub-overseers.

3. If the Revenue Department has no objection, the Public Service Notification may be amended accordingly. The file may be forwarded to Revenue u.o. for remarks.
