2. The memorialist, as stated by him, belongs to a very respectable branch of the Carnatic family, the members of which I need scarcely say have been reduced, by their neglect of education, to great poverty. Taking this into consideration and the desirability of encouraging, if possible, deserving young men of the Carnatic family, to earn their livelihood by honest means, I lately appointed the memorialist as a clerk in the -- Collector's Office on Rs.20. He has during the past six months given me satisfaction by the proper discharge of his duties. He is an exceptionally well-behaved, hard-working and intelligent young man. His prayer for exemption from the Examination Rules, which will enable him to better his condition by passing the Special Test Examinations, is submitted for the favourable consideration of Government.

The Collector of
South Arcot.

The humble memorial of Ghulam Muhammad --
Mohieddeen Sahib, son of 'Khan Sahib' Azum Hussain --
Sahib Bahadur, Private Secretary to the Hon'ble --
Sir Ghulam Muhammad Ali Khan Bahadur, K.C.I.E., --
the Prince of Arcot.

Most respectfully sheweth:--

1. That your Excellency's humble memoria-
list is a Shadi great grandson of his late Highness
the Nawab Azimudowlah Bahadur, the first titular --
Nawab of the Carnatic, as also a direct descendant --
of the late Muhammad Ali Wallaja, the ruler of the --
Carnatic and a faithful ally of the British Govern-
ment. He is also closely related to the present --
Prince of Arcot in virtue of the above descent.

2. That with a view to be come a useful --
public servant under the Benign British Government,
he studied the English language but, owing to ill-

health

health and other unavoidable circumstances, he had to discontinue his scholastic career after studying as far as the Matriculation standard in the Harris High School and the Government Madrassa Azam Kat - Madras. In spite of such an abrupt termination of his studies, he has a fair knowledge of the English language and somewhat high attainments in Urdu, -- Persian, and Arabic. He also knows Tamil well. -- Further he has applied for the Government Technical Examination in Shorthand to be held in May next.

3. That as matters stand at present he has had to content himself by entering the service only in the lower ranks on account of the examination -- difficulties with the hope of satisfying his ambition by rising to better positions in the regular -- course by efflux of time through the goodwill of -- his superiors whom he hopes to satisfy by hard and honest work. With such a hope he now secured a -- permanent footing in the South Arcot Collectorate.

4. That the memorialist however feels -- that, unless he is in a position to pass the Special Tests, the higher ranks of the service will be -- practically closed against him which would be a -- great disheartening factor to a young aspirant after opportunities for loyal and useful service to the -- Government.

5. That

5. That though the memorialist is still --
young, he is past the age of attending a School for
the purpose of equipping himself with pass certifi-
cates to render him eligible for the Special Tests
in the ordinary course.

6. That as Government have always been --
acting on the broad principle of never allowing --
their subordinates to get disheartened by depriving
them of reasonable aspirations and hopes of attain-
ing promotions which alone would afford opportunities
of rendering useful service to them, the memorialist
humbly prays that the higher ranks of service may be
thrown open to him by generously exempting him from
the Examination Rules which will enable --
him to appear for the Special Test Examinations.

As hope alone can keep up individuals and
sustain them in life, the memorialist humbly prays
that having regard to his parentage and the tradi-
tions of his family and the reasonable aspirations -
of one so young, the Government may be pleased to --
confer this boon and allow him scope to attain to --
the higher ranks of service by virtue of sole merit
and personal exertions and thus place himself and his
family under ever lasting gratitude to the British --
raj.

Your Excellency's humble memorialist shall,
as in duty bound, ever pray.

This is to certify that Ghulam Muhammad Mohideen Sahib was a pupil of this School for several years and that he appeared once for the Matriculation -- Examination.

He was an intelligent and hard working young man. He belongs to a highly respectable family. His prepossessing manners and good character gave the teachers much pleasure. He has a very fair knowledge of English and has studious habits. He is of a preserving nature and I believe he will be -- found efficient in the discharge of his duty in any situation he may be placed.

NOTE FILE.

C. No. 1083 From the Collector of South Arcot No. 464/A.S., dated 14.4.1912.

SUBJECT. Exemption from the examination rules.

The memorialist, Ghulam Muhammad Mohideen Sahib, is a clerk on Rs 20 p.m. in the South Arcot Collector's office. He has studied up to the Matriculation standard but has not passed that examination. He prays that he may be exempted from the examination rules so as to enable him to appear for the Special tests. By "exemption from the examination rules" is generally meant exemption from the provisions of art. 1 of the Public Service notification. If this exemption is granted the memorialist will become eligible

Art. 1 of the Pub. Ser. notification

(1) to obtain promotion to posts carrying salaries in excess of Rs 20 p.m. and also,

Art. 4 of the Spl. test notification; also notes Q (1) & (2) to that art.

(2) to appear for all the special tests except the Precis Writing test, the Revenue test, higher grade, and the Criminal Judicial test, higher and lower grades.

2. The grounds on which the Collector of South Arcot bases his recommendation are,

(1) the respectability of that branch of the Carnatic family of which the memorialist is a member, and

(2) the desirability of encouraging, if possible, deserving young men of the Carnatic family, to earn their livelihood by honest means.

P. 1 of C.R.

It is for consideration whether, in the circumstances stated by the Collector, the memorialist's case may be specially treated and he may be exempted from the provisions of art. 1 of the Public Service Notification.

2. The remarks of the Revenue dept. may be obtained & the attention of that department may be solicited to the notes on p. 23 of Gono 466 Vol. 9-8-10 and also to Gono III Vol. 24th Feb 1911 and the notes connected with it which disposed of a similar request from a member of the Kandy Raja's family.
