GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper :—

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.
To—the Secretary to Government, Educational Department.
Dated—the 14th May 1912.
No.—R.C. 2955.

I have the honour to request that Government will be pleased to include "Laboratory Assistants" in the Educational Department under column B, article 2 (2), of the Public Service Notification as I find that it is difficult to fill up by qualified men the posts of (1) botanical museum and herbarium keeper and (2) zoological laboratory and museum assistant on Rs. 20-2-30 each sanctioned for the Presidency College in G.O. No. 130, Educational, dated 14th February 1912. The Principal of the above institution reports that the best of the applicants are two unpassed candidates with practical knowledge of laboratory and museum work, one of them being acquainted not only with herbarium work but is also skilled in the work of preparing and staining sections of the microscope, while among the passed candidates are clerks and teachers with little or no experience of this kind, and I am persuaded that the qualifications necessary for these posts are those of a technical nature rarely to be found among men who have passed any of the general educational tests laid down in article 1 of the Public Service Notification and that such posts should consequently be excluded from the operation of that article.

Pending orders on this proposal I have temporarily exempted the two men recommended by the Principal for the posts referred to above from the operation of the examination rules.

Order—No. 452, Educational, dated 28th May 1912.

The proposal of the Director of Public Instruction is approved. The following notification, which embodies the necessary amendments to the Public Service Notification, will be published in the *Port St. George Gazette* :—
