GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

G.O. No. 416, Educational, dated 15th July 1910.

ABSTRACT.—Accepting the scheme submitted by the Rajkumar College Committee for the establishment and maintenance of a Rajkumar College in Madras.

II

Letter—from the Hon'ble Mr. L. DAVIDSON, I.C.S., Acting Secretary to Government, Educational Department.

To—the Secretary, Landholders' Association, Madras.

Dated—Fort St. George, the 18th January 1912.

No.—70-1.

With reference to your letter No. 79, dated 6th October 1911, stating that a reply to Mr. Wynch's letter No. 451, Educational, dated 30th July 1910, on the subject of the establishment of a Rajkumar College in Madras will be sent before the end of the current official year, I am directed to enquire whether you are now in a position to say when the views of the Landholders' Association can be intimated. I am to add that the Government would be obliged if you could expedite the reply of the association, as other applications have been received for the grant of the site proposed for the Rajkumar College.

III

Letter—from M.R.Ry. S. VENKATARAMA ROW AVARGAL, Secretary, the Madras Landholders' Association.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 12th March 1912.

No.—220.

With reference to your letter No. 70-1, dated 18th January 1912, requesting that the reply of the association to Mr. Wynch's letter No. 451, Educational, dated 30th July 1910, on the proposed establishment of a Rajkumar College at Madras may be expedited, I am directed to state that but a small portion of the body of the zamindars who have been appealed to on the subject have responded, that of these some have expressed disapproval of the scheme on the score of its cost and some, curiously enough, on the score that it is proposed to be worked with strict regard to the religious and social customs and prejudices of the zamindari community, and that the amount of the financial support promised by those who have approved of it is most meagre and inadequate. In these circumstances the association regretfully feels that there is hardly any chance for the scheme being carried into effect for the present.

I am further directed to convey to the Government the thanks of the association for the great interest they have evinced in formulating the scheme in question and the liberal measure of support they have promised for it.

As regards the site proposed for the Rajkumar College, the Maharaja of Bobbili, one of the Vice-Presidents of the Association, has desired me to inform the Government that he is anxious to acquire it, if available for sale, his object being to utilize it for some public purpose on some future occasion.

Order—No. 466, Educational, dated 30th May 1912.

Recorded.

2. The question of the disposal of the plot of ground which was suggested as a site for the Rajkumar College will be considered in the Revenue Department.

Ag. Secretary to Government.

Please see the letter from the Landholders' Association, dated 6th October 1911, on page 2 of G.O. No. 724, Educational, dated 14th October 1911. The association therein stated that it was not likely that any definite result would be arrived at before April next. In these circumstances it is for consideration whether any communication should now be made to the association. The Landholders' Association may perhaps be reminded of their letter, dated 6th October 1911, and be asked when they will be able to reply.

R. SUNDARAM AIYAR—11-1-12.

You may send a letter reminding the association of what they said in October and adding that Government would be obliged if they could expedite their reply as other applications have been received for the grant of the site proposed for a Rajkumar College. Ask finally if they are now in a position to say when their views can be intimated.

L. DAVIDSON—13-1-12.

[Letter No. 70-1, Educational, dated 18th January 1912.]

From the Landholders' Association, No. 220, dated 12th March 1912.

The Landholders' Association state that for want of adequate financial support from the zamindars the scheme for the establishment of a Rajkumar College in Madras cannot be carried into effect for the present.

2. It is for consideration whether the current may be merely "recorded."

3. The question as to how the site at Saidapet reserved for the Rajkumar College should be disposed of appears to be one for consideration in the Revenue Department, to which it may be remitted for disposal.

T.K.—30-3-12.

C. RAMANUJACHARI—31-3-12.

Yes please. The Maharaja of Bobbili mentioned it to me last week. His idea, I understand, is to utilize the site for a private school for some of his relations, hoping that in course of time other zamindars will send their boys to it and make extension feasible.

The proposal to record the current may, it is submitted, be accepted.

2. The Educational Department may be requested to send to this department a copy of the Government Order on this case with a copy of these notes. The Government Order and notes, when received, will be added to the Revenue file and submitted separately for orders.

A draft order is submitted for approval.

C. RAMANUJACHARI—11-4-12.

The file should go to His Excellency to whom it has already been marked by the Secretary.

M. S. MASCARENHAS—11-4-12.

I do not know what site is referred to. Where is the site? We should not let Bobbili have it for a school of his own, I should think.

M. H[AMMICK]—16-4-12.

The site referred to is the Saidapet Farm land which was formerly attached to the late College of Agriculture at Saidapet. Please see G.O. No. 1096, Revenue, dated 5th April 1910.

T.K.—23-4-12.

Have we no plan showing the situation?

T. E. MOIR—24-4-12.

No plan is available in the office. The Revenue Department may be asked to state if they have one.

2. From G.O. No. 1096, Revenue, dated 5th April 1910, and the notes connected therewith it will be seen that no portion of the farm land was specified for the use of the Rajkumar College.

C. RAMANUJACHARI—9-5-12.

Submitted with reference to His Excellency's note, dated 16th April 1912, on page 2 *supra*. The plan on page 20 of G.O. No. 2057, Revenue, dated 15th August 1907, shows the situation of the farm.

T. E. MOIR—11-5-12.

The site was not reserved for the Rajkumar College; it was only suggested as a possible site.

The Maharaja of Bobbili now tells me that he is thinking of opening a small school for his grandson and other relations close to his own house in Mount Road—the Gopal Bagh. I don't think he will require any site in the farm. Certainly I do not think it would be wise to alienate any of the site there except under strict conditions.

M. H[AMMICK]—16-5-12.

Revenue had better see His Excellency's note.
