From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc.F.R.S.C.I.E.,

(Designation) Director of Public Instruction,

Madras.

To the Secretary to the Government of Madras,
Educational Local and Municipal Department.

Sir,

I have the honour to submit the enclosed application for grant towards the cost of science apparatus purchased for the Hindu College, Tinnevely and to recommend that a half grant of Rs. 810 may be sanctioned as a special case under rule 60 of the Grant-in-aid Code.

2. In July 1911 there was a large increase in the number of students who joined the college for Group I of the Intermediate course. As the science apparatus of the College was found inadequate the Correspondent submitted an application for grant towards the purchase of some apparatus and chemicals to the Inspector of Schools, 7th Circle in September

1911 and requested the Inspector to permit him to purchase the articles that year and to sanction payment of the grant applied for from the next year's allotment in case his application could not then be entertained under rule 56 of the Grant-in-aid Code. The Inspector returned the application to the Correspondent for renewal during the current official year. The Correspondent says that the articles were purchased as they were urgently required and requests that the irregularity in having purchased the articles without obtaining the previous sanction of the Director may be condoned.

3. The articles purchased are on the whole suitable.

4. The grant can be met from the current year's budget provision for "Grants for Furniture, Apparatus and other special objects."

5. It is requested that the enclosures be returned when no longer required.

I have the honour to be,

S i r,

Your most obedient servant,

R A Arive
