Petition—from Subadar SHAIKH MADINA SAHIB, Honorary Secretary of Anjuman-i-Sayed of Military Pensioners, Washermanpet, Madras.
To—His Excellency the Governor of Madras..
Dated—the 20th December 1911.

MOST RESPECTFULLY SHOWETH,—That in accordance with the rules framed by the Anjuman Society for giving education for orphans and other children of Muhammadan community, the course of secular studies are adopted to the requirement of Arabi, Persian, Urdu and English as army school. Gymnasium affords a healthy exercise to the boys as an invaluable aid for teaching science in accordance with modern method. No fees for orphans, for other candidates are charged as military school, a copy of which is herewith submitted for your kind perusal.

Under the said circumstances it would be a great boon on the part of His Most Gracious Majesty King George V., King of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, Defender of the Faith, Emperor of India, of His Coronation at Delhi Darbars on the unique occasion of His Majesty's accession to the Imperial Throne of India held on the 12th December 1911, with a great and magnificent celebration in recognition and token of which I pray on behalf of the said society that a piece of land which is vacant close to our mosque may be allotted for the school with a small building being raised for the said orphans under the Government expense as *gratis*, as an emblem of His Majesty having been crowned as an Emperor of India.

For which act of kindness and charity, I, myself and on behalf of my community and especially orphans to whom this will be an everlasting memory of His Majesty's Coronation at Delhi for generations to come, pray most heartily for His Majesty's long life and memorable reign for happiness and prosperity of one and all of his beloved subjects throughout the world.

ENCLOSURES.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 13th March 1912.

No.—Ref. on Cur. 134.

In returning herewith the papers referred to me for remarks with endorsement No. 3218-1, Educational, dated 3rd January 1912, I have the honour to state that the Anjuman-i-Sayed at Washermanpet is reported to be a mosque school intended chiefly for the children of a number of Muhammadan military pensioners living in the locality and imparting along with religious instruction some secular instruction also. It has a strength of 43 pupils, of whom 20 are the children of these pensioners, and a staff of three teachers, of whom the headmaster is also the priest of the mosque, and one of the assistants is the *muezzin* or crier also attached to the mosque.

2. As regards the free gift of a school-house to the above school I beg to state that there is a Government Muhammadan elementary school at Washermanpet at a distance of a furlong and a half from the anjuman which has a staff of two teachers on Rs. 10 each and a strength of 50 pupils in standards Infant to IV and which is located in a rented building unsuited to school purposes. It is therefore primarily necessary to provide the Government school with a good building before a free gift of a school-house for the anjuman is thought of. I understand, however, that the committee of the anjuman is prepared to amalgamate their school with the Government school in the locality provided the management of the amalgamated school is placed in its hands, and that it has no objection to secular instruction being given according to departmental requirements during school hours and to religious instruction being given out of school hours. The Inspector of Schools, 4th Circle, considers that the amalgamated school will have to be given one more teacher who may be the headmaster and that it may be placed under the immediate supervision of the school committee, its relations to the school, to the staff and to the department being fixed on the same lines as in the case of the Government Muhammadan elementary boys' school, Mylapore.

3. The above proposals, viz., to have the mosque school amalgamated with the Government Muhammadan elementary school, Washermanpet, to accommodate the amalgamated school in a Government building and to place it under the management of a committee, commend themselves to me, and should Government approve of them, I beg to suggest that the Collector of Madras be asked to ascertain whether the vacant piece of land adjoining the mosque is the property of Government and, if so, whether it can be handed over to the Educational Department for the construction of a school-house.

4. I may add in this connection that not one of the twelve Government Muhammadan elementary schools in Madras has as yet an accommodation of its own and that a building is now under construction for the school at Mirsahibpet.

Memorandum No. 818-1, Educational, dated 26th March 1912.

The Government understand that there is a vacant piece of land adjoining the mosque at the military pensioners' lines at Washermanpet. The Collector of Madras is requested to report whether it is the property of Government and, if it is, whether it can be handed over to the Educational Department for the construction of a school-house.

Read—the following paper:—

Letter—from A. R. CUMMING, Esq., I.C.S., Collector of Madras.

To—the Secretary to Government, Educational Department (through the Secretary to the Commissioners of Land Revenue).

Dated—the 1st April 1912.

No.—D. Dis. 444.

With reference to Government Memorandum No. 818-1, dated 26th March 1912, I have the honour to submit a sketch of R.S. No. 1796/1 of Tondiarpet showing the mosque and the open land in its vicinity and to state that the whole of the land belongs to Government and that there is no objection to handing over to the Educational Department the extent required for the construction of a school. The site of the mosque was, with the previous approval of the Government of India, alienated by Government in their Order No. 398, Revenue, dated 12th February 1909, in favour of the Muhammadan community at Washermanpet free of charge for the occupancy right and free of ground-rent.

Resolution—Mis. No. 1380, dated 12th April 1912.

Order—No. 478, Educational, dated 31st May 1912.

The Government regret their inability to make a free gift of a site and building for the Anjuman-i-Sayed of Military Pensioners, Washermanpet. They are, however, pleased to approve the proposals of the Director of Public Instruction to amalgamate the school with the Government Muhammadan elementary school, Washermanpet, to accommodate the amalgamated institutions in a Government building and to place them under the management of a committee on the same terms as those relating to the Government Muhammadan elementary school for boys at Mylapore.

2. The Director of Public Instruction will be informed that the whole of the land in the vicinity of the mosque belongs to Government and that the Educational Department can be placed in possession of the extent required for the construction of a school.

NOTES CONNECTED WITH G.O. No. 478, EDUCATIONAL, DATED
31st MAY 1912.

[SUBJECT.—Application for the free grant of land and building for the purpose of
a school.]

From the Honorary Secretary, Anjuman-i-Sayed of Military Pensioners, Washermanpet,
Madras, dated 23rd December 1911.

REVENUE DEPARTMENT.

Should not Educational deal with this?

J. T. GWYNN—10-1-12.

The application is for the free grant of a piece of land with a building being raised on it for the opening of a school. The first question to be settled is whether the land can be assigned for the purpose. It is accordingly proposed to refer the petition in the first instance to the Board. If the land can be assigned, the question of constructing a building on it at Government cost and transferring the lands and building to the applicant for the purpose of the school, free of charge, will have to be considered in the Educational Department.

K.A.M.—11-1-12.

Considering the curious language in which the application is couched it will perhaps be best first to ask Educational whether they would recommend the land to be given assuming that it is to be had.

J. T. GWYNN—15-1-12.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

A petition on the same subject was sent by the petitioner to His Excellency the Governor and the Private Secretary to His Excellency the Governor transferred it to this department for disposal. That petition has been referred to the Director of Public Instruction for remarks with Endorsement No. 3218-1, Educational, dated 3rd January 1912.

2. Submitted that the current petition may be added to the file referred to above and may be dealt with when the Director's reply is received.

EDUCATIONAL DEPARTMENT.

From the Director of Public Instruction, No. 134, dated 13th March 1912.

The Honorary Secretary of the Anjuman-i-Sayed (a mosque school) at Washermanpet, Madras, requested that a piece of vacant land near the mosque might be assigned to the school with a small building erected on it by Government.

2. The Director of Public Instruction, to whom the anjuman's request was referred for remarks, states that the request cannot be complied with but recommends that the school may be amalgamated with the Government Muhammadan elementary school, Washermanpet, and that the amalgamated school may be placed under the immediate supervision of the school committee, its relations to the school, to the staff and to the department being fixed on the same lines* as in the case of the Government Muhammadan elementary boys' school, Mylapore.

3. There appears to be no objection to the proposal being sanctioned by Government. The Government Muhammadan school at Washermanpet has standards Infant to IV. The strength of the school at present is 50. The anjuman has a strength of 43 pupils. The combined school will have a strength of 50 + 43 or 93 pupils. Under rule 81 of the Madras Educational Rules the combined school should have a staff of four teachers. The Director of Public Instruction, however, proposes only one additional teacher as headmaster for the combined school. As the school has now a staff of two teachers on Rs. 10 each, the proposed headmaster's pay may be fixed at Rs. 12 *per mensem*. The additional cost which the proposal involves is Rs. 144 *per annum*.

Page 5 of G.O. No. 393, Educational, dated 3rd July 1909.

4. It is for consideration whether the Director of Public Instruction's proposal may be approved. Before the file is circulated to the Honourable Member for orders it may be sent to the Financial Department u.o. for remarks.

5. The reference to the Collector of Madras suggested by the Director of Public Instruction in paragraph 3 of his letter will be necessary only if the proposal to amalgamate the two schools and to place the combined school under the supervision of the school committee meets with the approval of Government.

The reference to the Collector may issue at once. It is not likely that Government will demur to the proposal made by the Director of Public Instruction and concurred in by the petitioners.
