DATED 1st JUNE 1912.

[SUBJECT.—Admission of matriculates to the Criminal Judicial test, lower grade.]

The Hon'ble Mr. Kesava Pillai.

Question 30. Will the Government be pleased to inform—

- (a) Whether it is a fact that a matriculate, who has obtained diploma in commerce, is permitted to appear for criminal judicial test, lower grade?
- (b) Whether it is a fact that matriculates, who are sub-registrars, are allowed to appear for the criminal judicial test, lower grade?
- (c) Whether it is a fact that matriculates in several other departments in public service are prohibited to appear for the same test?
- (d) Whether it is a fact that a matriculate, otherwise qualified, has the possibility of rising to the post of a Collector's sarishtadar, without passing the said test?
- (e) Whether it is a fact that a matriculate in the subordinate judicial service has not this possibility of being appointed even as head clerk of the District Court on Rs. 100?
- (f) Whether the Government will not extend the privilege of appearing for the criminal judicial test, lower grade, to matriculates in the subordinate judicial service, and in several other departments of public service, to qualify themselves for promotion?

Clause (a).—Candidates who have passed the matriculation examination prior to 1910 and have obtained the diploma in Commerce at the Government Technical examinations are eligible to appear for the criminal judicial test, higher and lower grades—*vide* note (2) to article 4 of the special tests notification. This concession to commercial diploma holders was granted in order to popularize the study of commercial subjects—*vide* G.O. No. 865, Educational, dated 7th November 1895.

(b) Sub-Registrars in the Registration department irrespective of their general education qualifications are eligible to appear for the criminal judicial test, lower grade—*vide* note (5) to article 4 of the special tests notification. This concession was granted to them with the object of having at hand a sufficient number of qualified sub-registrars in the lower grades fit for appointment as special magistrates—*vide* G.O. No. 173, Judicial, dated 27th January 1911.

(c) It is submitted that matriculates in departments other than those mentioned in (a) and (b) above and in the cases noted below are ineligible to appear for the criminal tests:—

Note (3) on page 2 of the special tests notification.

(i) Matriculates who hold any superior appointments in the Agency tracts of Ganjam, Vizagapatam and Gōdāvari;

Note (4) on page 2 of the special tests notification.

(ii) Matriculate sub-inspectors and head constables in the police department; and

Note (2) on page 2 of the special tests notification.

(iii) Matriculates who obtained the diploma in agriculture prior to 1st June 1909.

(d) Yes; the criminal judicial test is not prescribed for the post of Huzur sarishtadar. The tests prescribed for this post are the Revenue, Account and Translation tests, lower grade, for all of which matriculates are eligible to appear.

(e) Yes; head clerks in district courts are required to pass the Criminal Judicial test, lower grade. Unless specially exempted by Government a matriculate cannot therefore expect to become the head clerk of a district court.

(f) The question of extending the privilege of appearing for the Criminal Judicial tests to matriculates was raised by the Honourable the Legislative Council Member in 1910 when he gave notice of his intention to move a resolution on that subject in the Legislative Council. The Government decided to oppose the resolution. But it was withdrawn by the Legislative Council Member before the meeting. Please see notes recorded in G.O. No. 215, Educational, dated 6th March 1912. There does not appear to be any reason to reconsider the decision arrived at by Government in 1910.

2. As all the information relating to the first five clauses (a) to (e) is contained in the special tests notification, which was published in the *Fort St. George Gazette*, it is submitted that it will be sufficient if the Honourable Legislative Council Member is referred to the notification in the *Gazette*. As regards the last clause it is submitted that the Government may decline to consider the question.

3. The following answer is suggested:—

“(a) to (e).—The Honourable Member is referred to the notes (2) to (5) to article 4 of the special tests notification published on pages 313 to 323 of Part I-B of the *Fort St. George Gazette*, dated 16th May 1911.

“(f) Having regard to the interests of the public service, the Government are not prepared to extend the privilege to matriculates generally.

4. As the question has special reference to the Revenue and Judicial Departments the answers may perhaps be sent to those departments for acceptance.

P.R.—14-5-12.

C.R.—14-5-12.

The answer may be—

“(a) to (e) Information as to the persons who may appear for the Criminal Judicial test, lower grade and the offices or appointments for which it is prescribed will be found in notes (2) to (5) to article 4 of the special tests notification published on pages 313 to 323 of Part I-B of the *Fort St. George Gazette*, dated 16th May 1911, and in the schedule appended to that notification. It will be seen that Tahsildars from which grade Huzur sarishtadars are almost invariably selected are required to pass the Criminal test, lower grade.

(f) The Government are not prepared to relax the rules in favour of matriculates not otherwise qualified.”

2. As to Huzur sarishtadars they have always put in service as Tahsildars or at any rate as Deputy Tahsildars and therefore have passed the test or its equivalent as shown in the remarks column on page 11 of notification. The chance of a matriculate otherwise qualified raising to that post without passing the Criminal lower is therefore non-existent. If Revenue agrees this may be pointed out.

Please see Board's Standing Order No. 137. Huzur sarishtadars will generally have put in not less than two years' service as Tahsildar. But with the approval of the Board persons who have not been Tahsildars may also be appointed Huzur

sarishtadars. It may be pointed out to the Additional Member that appointments to the post of Huzur sarishtadar are generally made from the grade of tahsildars who are required to pass Criminal test, lower grade.

- (c) Whether it is a fact that matriculates in several other departments in public service are prohibited to appear for the same test?
- (d) Whether it is a fact that a matriculate, otherwise qualified, has the possibility of rising to the post of a Collector's sarishtadar, without passing the said test?
- (e) Whether it is a fact that a matriculate in the subordinate judicial service has not this possibility of being appointed even as Head Clerk of the District Court on Rs. 100?
- (f) Whether the Government will not consider the hardship thus caused, and extend the privilege of appearing for the criminal judicial test, lower grade, to matriculates in the subordinate judicial service, and in several other departments of public service, to qualify themselves for promotion?

Clause (a) Candidates who have passed the Matriculation examination prior to 1910 and have obtained the diploma in Commerce at the Government Technical examinations are eligible to appear for the Criminal Judicial test, higher and lower grades - Vide Note (2) to article 4 of the Special Tests notification. This concession to Commercial diploma ^{holders} ~~was~~ was granted in order to popularize the study of commercial subjects - Vide G.O., No. 865 Educational, dated 7th November 1895.

(b) Sub Registrars in the Registration Department irrespective of their general education qualifications are eligible to appear for the Criminal Judicial test, lower grade - Vide Note (5) to article 4 of the Special Tests notification. This concession was granted to them with the object of having at hand a sufficient number of qualified sub registrars in the lower grades fit for appointment as special magistrates. Vide G.O., No. 173 Judicial, dated 27th January 1911.

(c) It is submitted that matriculates in departments other than those mentioned in (a) & (b) above and in the cases ~~of~~ noted below are ineligible to -- appear for the Criminal tests:-

(i) Matriculates who hold any superior appointments in the Agency tracts of Ganjam, Vizagapatam and Godavari,

(ii) Matriculate sub inspectors and head constables in the Police Department, and

(iii) Matriculates who obtained the diploma in Agriculture prior to 1st June 1909.

(d) Yes; the Criminal Judicial test is not prescribed for the post of Huzur Sarishtadar. The tests prescribed for this post are the Revenue, Account and Translation tests, lower grade, for all of which matriculates

matriculates are eligible to appear.

item (4) under "G. Judicial Dept"
on p. 8 of the Public Service Notice

(e) Yes; Head Clerks in District Courts are required to pass the Criminal Judicial test, lower grade. Unless specially exempted by Government a matriculate cannot therefore expect to become the head clerk of a District Court.

(f) The question of extending the privilege of appearing for the Criminal Judicial tests to matriculates was raised by the Hon'ble the L.C. Member in 1910 when he gave notice of his intention to move a resolution on that subject in the Legislative Council. The Government decided to oppose the resolution. But it was withdrawn by the L.C.M. before the meeting. Please see notes recorded in G.O., No. 215 Educational, dated 6th March 1912. There does not appear to be any reason to reconsider the decision arrived at by Government in 1910.

2. As all the information relating to the first five clauses (a) to (e) is contained in the Special test notification which was published in the Fort St. George Gazette, it is submitted that it will be sufficient if the Hon'ble Legislative Council Member is referred to the notification in the Gazette. As regards the last clause it is submitted that the Government may decline to consider the question.

3. The following answer is suggested:-

"(a) to (e), The Hon'ble Member is referred to the Notes (2) to (5) to article 4 of the Special tests notification published on pages 313 to 323 of Part I-B of the Fort St. George Gazette, dated 16th May 1911.

"(f). Having regard to the interests of the public service, the Government are not prepared to extend the privilege to matriculates generally.

The answer may be

(a to c) Information as to the persons who may appear for the Judicial Test Lower Grade & the posts open or appointments for which it is prescribed with the fees found in notes 2 to 5 of the article 4 of the Special Tests Notification published on pages 313 to 323 of Part I-B of the St. George Gazette of 16.5.11 and in the schedule appended to that Notification. The Govt are not prepared to state the rules in favour of Matriculates or otherwise qualified.

As to Thomas Christensen they have always put in series as Candidates or at any rate as Examiners and therefore have passed the test in its equivalent as shown in the notes column on page 11 of the Notification. The chance of a matriculate otherwise qualified rising to that post with a previous the Judicial Lower is therefore

It will be seen that Candidates from which grade Thomas Christensen are almost invariably selected as required to pass the Judicial Test Lower grade.

Please see B.S.O. No. 137. (Huzur Sanishtadars will generally have put in not less than two years service as Tehsildar. But with the approval of the Board persons who have not been Tehsildars may also be appointed Huzur Sanishtadars. It may be pointed out to the Additional Member that appointments to the post of Huzur Sanishtadar are generally made from the grade of Tehsildars who are required to pass Criminal test, lower grade.
