The Hon'ble Mr. Raghava Rao Pantulu.

Question 37. (a) Will the Government be pleased to state whether it is a fact that memorials were sent to Government and the Director of Public Instruction by the ladies of Berhampur, objecting to the appointment of a Muhammadan gentleman as a teacher for Berhampur Government Girls' school when there were female applicants for the post?

(b) Will the Government be pleased to state if any action was taken on the said memorials?

[Meeting of 24th May 1912.]

The question is indefinite as it does not give the dates of the memorials or the dates on which they were forwarded to Govt. The receipt registers from 1st January 1911 have been looked into and no memorials from the ladies of Berhampore seem to have been received.

2. The S.P.O. may be asked u.o. to state whether he has received the memorials referred to and if so what action has been taken on them.

Incorrectly

My office can trace no memorial from "the ladies of Berhampore"

I have various petitions from Berhampore about female teachers and we are doing what we can. I fancy I can trace the special case referred to - they wanted to take away female teachers from Rajahmundry and Coarada. These transfers would have left these ladies places in the lurch and suggested another female teacher who refused the offer -

I am submitting proposal for a "High" school for girls at Vijayapattanam with some hope of securing female teachers for the Telugu Country and we should eventually start one in Ganjam.
