The resolution of the Salem Municipal Council asking for a ^{Contribution} grant of Rs 20000 (non-recurring) and a recurring contribution of Rs 10000 for the improvement of the schools maintained by the Municipality is with me.

I am in correspondence with the Chairman and the Inspector about various matters.

The Chairman's latest proposal is Rs 35,732 non-recurring and Rs 2232 recurring.

I shall recommend this if the Council's financial condition requires so much assistance. The Inspector complains however that the Council spends too much money upon their College department. The last Public Instruction report shows 29 pupils as the average number on the rolls during the year (with only 8 left on the 31st March - due perhaps to plague) and a total expenditure of Rs 7519 i.e. over Rs 250 per pupil which is very high for a second grade College. Out of the total, Municipal funds are shown as providing Rs 4965.

The Inspector thinks that the College department should be relinquished I am not prepared offhand to agree but I think the Council should be put upon its defence in regard to the matter and reference to the Council's extravagance over the College might find place in the reply E.g.

The matter is under consideration. The Government observe that the Council is spending a large sum upon the Salem College with comparatively much results.
