GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

G.O. No. 204, Educational, dated 2nd March 1912.

ABSTRACT.—Communicating to the Director of Public Instruction letter from the Government of India making a grant of eight lakhs of rupees towards the improvement of popular education in the Madras Presidency.

II

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—the 29th April 1912.

No.—Ref. on Cur. 2148.

I have the honour to request that you will be so good as to obtain the early sanction of Government for provision being made with effect from 1st June next, in the Government training schools mentioned in the accompanying statement, for the training of an extra batch of students of the lower elementary grade in each of them in view to meet the increasing demand for trained elementary teachers necessitated by the opening of additional elementary schools under board management all over the Presidency. It is proposed to train only lower elementary grade students for the reason that the extended course prescribed for them will enable students who join in June next to compete with those who entered in February last.

2. The extra cost involved by the proposal is furnished in the accompanying statement, particulars as to the number of students to be trained, the salary of teachers, etc., having been furnished by the Circle Inspectors with due regard to local requirements. The salaries recommended by the Circle Inspectors for the additional teachers vary from Rs. 20 to Rs. 50, but I agree with the Inspector of European and Training Schools in thinking that the teachers should be allowed at least Rs. 40 *per mensem* in the case of higher elementary schools and at least Rs. 30 *per mensem* in the case of lower elementary schools, as qualified and efficient teachers cannot be secured for any less rates of pay to take up temporary posts.

As regards stipends I beg to state that the amount required is calculated for 22 months at Rs. 7 *per mensem* as the course commences in June 1912 and will terminate in March 1914, when it is proposed to hold the Preliminary Examination for Teachers' Certificates of the elementary grade for the students admitted in the current year, and as the proposal to pay a higher rate of stipends is based on the recommendation contained in my letter R.C. No. 2173, dated 15th March 1912. In the case of the Government training schools at Russellkonda and Gunupur, which are situated in the Agency tracts, a special rate of Rs. 10 is proposed.

There is difficulty in regard to accommodation in many of the schools, and in all these cases it is proposed to rent suitable buildings if available or to erect temporary sheds.

3. The cost of my proposals will be met from the special grant of four lakhs sanctioned in G.O. No. 204, Educational, dated 2nd March 1912.

4. I am putting forth every effort to increase the number of trained teachers for elementary schools, and with this object I am ascertaining from the Inspectors of Schools whether increased grants for teaching and payment of full stipends from Provincial funds will induce aided training schools to take in an extra batch of elementary teachers for training in June or July next.
